Von Valerie Bongards Stephanie has written here a very sweet romance story between Lord Phillip and Antonia. Antonia refuses to become an old maid, and sets her sights on Lord Phillip, thinking that they can make a 'comfortable' marriage. They were childhood friends. She doesn't take into account however that their hearts get involved too! Very enjoyable, very Laurens.....you'll like it for sure!3 von 8 Kunden fanden die folgende Rezension hilfreich. Wie immer romantisch Von Ein Kunde Im dritten Band der Lester-Trilogie (An Unwilling Conquest) kommt ein Charakter namens Philip, Lord Ruthven vor. Dieses Buch erzählt die Geschichte von ihm und Miss Antonia Mannering, der Nichte seiner Stiefmutter. Eine ganz nette, romantische Geschichte - im typischen Stil von Stephanie Laurens. Alle Stephanie Laurens Fans sollten dieses Buch natürlich besitzen.

Kurzbeschreibung Immerse yourself in the glitter of Regency times and follow the lives and romantic escapades of Stephanie Laurens Lester family. Miss Antonia Mannering was not going to dwindle into becoming an old maid! She and Lord Philip Ruthven had been childhood friends who had not seen each other for years. And although considered a very eligible bachelor, Philip remained unmarried. With Philip's close friend Harry Lester recently married, Antonia only hopes that she can convince Philip of the bliss marriage brings, that she can run his home and not disgrace him in Society. But is Philip ready to set up his nursery with Antonia as his wife? Laurens writing shines. Publishers Weekly Pressestimmen "Stephanie Laurens' heroines are marvellous tributes to Georgette Heyer." - Cathy Kelly "All I need is her name on the cover to make me pick up the book." - New York Times bestselling author Linda Howard" Kurzbeschreibung Immerse yourself in the glitter of Regency times and follow the lives and romantic escapades of Stephanie Laurens Lester family.
