itVon A. a slightly unusual version of the classical vampire love story. the author added the control over an element to the vampires' abilities and left out the sickening sweet parts that disgust and repel certain readers, turning thereby this series in quite readable material for readers more mature than the classical twilight fans. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great finale! Von Morgan Fourth book of the series. All comes to an end, the secrets are revealed, the villains come out of hiding.... Great conclusion. I loved the twists and turns of the series. I loved the writing. I loved the characters. I loved... everything. Still, Carwyn's still keeping a secret. Damn! ;-) 0 von 0 Kunden fanden die folgende Rezension hilfreich. Was soll man sagen, Frau Hunter hat viele gute Ideen! Von Alice Wunder Spannend, spannend bis zum Ende. Aber am meisten hat mich doch der Beweggrund von Paulo berrascht, warum er sich die ganze Zeit bemhte, anderen das unsterbliche Leben zur Hlle zu machen. Es lohnt sich wirklich aufmerksam alle Beher bis zum Ende zu lesen.
