**Von KJ Charles : A Gentleman's Position: A Society of Gentlemen Novel (Society of Gentlemen Series Book 3) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Gentleman's Position: A Society of Gentlemen Novel (Society of Gentlemen Series Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Do readVon Books\_to\_get\_lost\_inWhy have I never read a book by K.J. Charles? Ive been missing out!So obviously I havent read the first two books of the A society of Gentlemen series which I plan to do very, very soon but I didnt feel lost. intrigued? Oh yes.Charles writing is incredible, very readable and flowing and I fell in love with it. But the story is great as well. So much tension and heartbreak and drama. I really came to love Richard and Cyprian (and Im curious as hell about the other characters, too). And I love how realistic this romance is. I need alternatives to loveDisclaimer: I received an ARC at no cost from the author1 von 3 Kunden fanden die folgende Rezension hilfreich. Wenn die Liebesgeschichte nicht mehr funktioniert, werden eben ein paar Plotbunnys draufgeschmissenVon SelisIm letzten Band der Trilogie erfahren wir endlich, an wen Lord Richard Vane sein Herz verloren hat - und zwar an David Cyprian, seinen Kammerdiener. Zumindest behauptet Richard stets und stndig, den anderen Mann zu lieben. Seine Taten vermitteln zunchst nmlich ein ganz anderes Bild. Nachdem den Lesern von beiden Seiten versichert wurde, dass Richard und David sich vor vier Jahren quasi auf den ersten Blick ineinander verliebt htten, ist ersterer ziemlich entsetzt darber, als David eines Abends den ersten Schritt tut und ihn ksst. Ohne groartig darber nachzudenken verpasst Richard ihm eine Ohrfeige und wirft ihn aus dem Haus. Genau so sieht wahre Liebe aus, oder nicht? Erklrt wird das Ganze dann dadurch, dass Richards bersteigertes Ehrgefhl ihn davon abhalten wrde, sich an Dienern zu vergreifen, die ihn nicht abweisen drften, weil er ja ihr Arbeitgeber ist. Wenn er das auch von David denkt, dann hat er ihn in den letzten Jahren absolut nicht kennen gelernt.So, David ist natrlich entsetzt von seinem eigenen Handeln und flieht zu seiner Mutter, die auf dem Land lebt. Als Richard merkt, dass David nicht zu ihm zurck kommt, sucht er ihn, findet ihn letztendlich auch, versucht, ihn von seinen Gefhlen zu berzeugen, sie schlafen miteinander - und Richard vermasselt alles, weil er wieder einmal beweist, wie wenig er seinen Liebhaber kennt. Geknickt kehrt er nach London zurck, lsst David bitter enttuscht zurck und die Liebesgeschichte scheint ausweglos.Aber Halt! Aus dem Nichts kommt auf einmal ein Plotbunny um die Ecke gehuscht und endlich, endlich wird die Geschichte wieder richtig spannend, so wie man das von der Autorin eigentlich gewohnt ist. Ashs widerlicher Bruder droht nmlich, dessen Beziehung zu einem anderen Mann ffentlich zu machen, wenn Ash ihm nicht Silas (und dadurch auch Harry) ausliefert. Und da von den hochnsigen Aristokraten keiner wei, was zu tun ist, brauchen sie Davids Hilfe, um ihre Hlse aus der Schlinge zu ziehen. Aber nur, weil er widerwillig nach London zurck kehrt, heit das nicht, dass er Richard auch verzeiht. In einem Rennen gegen die Zeit muss David beweisen, wie gerissen er wirklich ist, wenn sich noch alles zum Guten wenden soll.Oh man. Ich habe mich wirklich auf dieses Buch gefreut, zumal die ersten beiden Teile der Trilogie echt spannend waren. Allerdings hte Richard mit seiner grenzenlosen Arroganz es beinahe geschafft, mir mein Lesevergnen zu zerstreuen. David war wirklich groartig und von Anfang an sehr glaubhaft, Richard hingegen, der angeblich so groherzig sein soll, habe ich weder verstanden noch gemocht. Und da es in der ersten Hlfte fast nur um ihn ging, hte ich das Buch fast aus der Hand gelegt. Zum Glck habe ich das nicht getan, denn hinterher wird es wieder spannend und hochdramatisch. Trotzdem war es das schwchste Buch aus dieser ansonsten sehr empfehlenswerten Reihe.0 von 0 Kunden fanden die folgende Rezension hilfreich. fantastic end to the seriesVon ColeAh, what pleasure! What a brilliant end to the series (any chance for more if I beg pretty please???). Finally, Sir Richard, the noblest of them all, the protector, the omnipotent, the unflappable has to face his own fears, feelings and down-falls. Well, if you can count an over active sense of duty and propriety a down-fall.Sir Richard needs some 'humanising' - he is so set in his role as lord and so anxious not to abuse his position he forgets there is more to life than to do everything by the book. Thank God David is up for some 'humanising.' He is a wonderful character, the king of 'fixers' and a perfect match for Richard.I loved how K.J. Charles has the two of them tip-toeing around each other, how she has them discuss their respective positions - who is in power, who is vulnerable (it turns out they both are in their own way) - and how the two men sort out their differences step by step. I guess Richard has a lot more learning to do than David who is pretty self-assured in what he wants on and what terms.Richard and David are amazing together, not only when they make love, but their conversation are just delightful.Meeting all the characters of the previous books was a real treat (and I quietly promised myself to reread this in order at one point again). I particularly enjoyed seeing Silas and David becoming firm friends, and Silas starting to fit better into this crowd of gentlemen.With the threat of exposure over all their heads all the men move a bit further together, but I wonder how Richard's friends would deal with the knowledge of Richard and David's love affair. They all respect him highly for what he does, but would they accept him as Richard's lover? It seems to be a total no-go. (well Dom has an idea and so does Julius, but I'm not sure what their honest reactions would be)K.J: Charles is one of my most favourite authors ever. I have thoroughly enjoyed every single book she has written, and this is no exception. Witty, sensual, angsty and gripping, and beautifully written. And I will go and reread this slowly very soon- a thing of impossibility the first time round!Highly recommended.

KurzbeschreibungPower, privilege, and the rigid rules of class leave two hearts yearning for connection in the sizzling new Society of Gentlemen novel from K. J. Charles. Among his eccentric though strictly principled group of friends, Lord Richard Vane is the confidant on whom everyone depends for advice, moral rectitude, and discreet assistance.

Yet when Richard has a problem, he turns to his valet, a fixer of unparalleled genius and the object of Richards deepest desires. If there is one rule a gentleman must follow, it is never to dally with servants. But when David is close enough to touch, the rules of class collide with the basest sort of animal instinct: overpowering lust. For David Cyprian, burglary and blackmail are as much in a days work as bootblackening anything for the man hes devoted to. But the one thing he wants for himself is the one thing Richard refuses to give: his heart. With the tension between them growing to be unbearable, Davids seemingly incorruptible master has left him no choice. Putting his finely honed skills of seduction and manipulation to good use, he will convince Richard to forget all about his well-meaning objections and give in to sweet, sinful temptation. Praise for A Gentlemans Position Highly recommend this one a great, angst-filled romance. Smexy Books I cant recommend A Gentlemans Position and the rest of the Society books enough! Just Love I have absolutely loved this series and I found this to be a very satisfying conclusion. . . . I love the way things ended up for Richard and Cyprian and I was thrilled to get their story. Joyfully Jay Brilliant writing and storytelling! Highly recommend! Gay Book s This book is swoon material grab it! Red Adept s What I enjoyed most about this book was the authors slow and deliberate reveal of the story from both parties perspectives. The Oddness of Moving Things I absolutely loved this book. It was well written, it kept me engaged all the way throughout, and it was so good that I one-clicked the others in the series without even looking at the blurbs. I can safely say that this is one author that I will be reading more of in the future. If you love Regency era-romance and books that really tug on your heart, this is definitely one to check out. Inked Rainbow Reads This book was so hot and sensual. I know that I will come back to these gentlemen over and over again. I could go on for pages and probably not make much more sense. This book gave me the most exquisite book hangover and I loved every single second of reading and remembering it. Watch Word Society Praise for the Society of Gentlemen novels The Regency period gets more rakish than ever in the Society of Gentlemen series. Ill read anything K. J. Charles writes! New York Times bestselling author Kate Pearce K. J. Charles has long been one of my favorite authors. USA Today bestselling author Carole Mortimer Charles has built a reputation for tight, enthralling plots. Publishers Weekly Includes a special message from the editor, as well as an excerpt from another Loveswept title.
