Von Lucy Dillon : A Hundred Pieces of Me (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Hundred Pieces of Me (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Nice to read but somewhat predictableVon LunaIt's a nice read but somewhat predictable. Ideal light and entertaining Summer read. I enjoyed it. but it's not a book that leaves a long lasting impression.0 von 0 Kunden fanden die folgende Rezension hilfreich. A HUNDRED PIECES OF ME BY LUCY DILLONVon LiskaAfter a traumatic incident, the

protagonist, Gina tries to find her new place in life. Her plan involves to keep nothing but her one hundred favourite things and to let go of all the other things she accumulated throughout her life. This book is very different from the fantasy genre I usually read. In many ways, one could argue that it's one of those stereotypical women's novels and I wouldn't necessarily object. It's definitely romantic, has its ups and downs, and was exactly what I needed at this point in time. I'm still struggling being back in Germany and I needed a book that's able to lift me up. And it did just that: 516 pages of feel-good emotions. I read this book over the course of 2! days. I just couldn't stop. Just as Milly Johnson states on the book spine: it's a real "just one more chapter before bed" novel. I'd highly recommend it as a summer read for mid twenty-somethings and more advanced female readers. I gave it 4 1/2 out of 5 stars. This is the moment in which you should order the book, devour it, and come back to read the end of this review since it contains spoilers. First, I gotta admit that I thoroughly enjoyed the book because I'm an utter dog person. I seem to share this characteristic with Lucy Dillon. They seem to play a significant role not only in this novel but in all of her stories and I love it. It makes me happy to think that she could raise awareness for some of the poor destinies that are usually ignored by society. On another note, the concept of this novel reminded me of the idea of Marie Kondo's *The Life-Changing Magic of Tidying Up*. Although I haven't read this book so far, I feel like there are overlaps in how the protagonist in Lucy Dillon's novel asks herself whether an object brings her joy before deciding whether to keep it or not. But this doesn't have to be necessarily bad, it was just a resemblance I found. Even though I really enjoyed reading this book immensely, there are parts I think aren't very reader-friendly. I'm talking about the flashbacks in the beginning of each chapter in which we get to know more about the past of Gina. I found them quite distracting in my reading flow and it bothered me that they weren't chronologically. I get that they were supposed to be related to the topic of the regarding chapter but it was more irritating than helpful for me. Nevertheless, the book definitely motivates to get to grips with one's life and left me with an overall positive feeling like 'I can achieve anything I want'. Because never forget: "Where there's cake, there's hope." Lucy Dillon, *A hundred pieces of me(...)* 1 von 2 Kunden fanden die folgende Rezension hilfreich. Nice book. Von Hafe. It took me a while to be hooked, found it a bit confusing in the beginning, but than enjoyed reading it.

Kurzbeschreibung WINNER OF THE ROMANTIC NOVELISTS' ASSOCIATION CONTEMPORARY ROMANTIC NOVEL AWARD, 2015. As heart wrenching and life-affirming as *One Day or Me Before You*, *A HUNDRED PIECES OF ME* is a story about what it means to finally live life to the full. Letters from the only man she's ever truly loved. A keepsake of the father she never really knew. A blue glass vase that catches the light on a grey day. Gina Bellamy is starting again, after a few years she'd rather forget. But the belongings she's treasured for so long don't seem to fit who she is now. So Gina makes a resolution. She'll keep just a hundred special items - the rest can go. But that means coming to terms with her past and learning to embrace the future, whatever it might bring. . . 'Bittersweet, lovely and ultimately redemptive; the kind of book that makes you want to live your own life better.' Jojo Moyes 'Such a brilliant book. So satisfying and clever and deeply moving. I'll be passing it on to all my friends.' Sophie Kinsella 'This vibrant and uplifting novel has not only entertained me hugely, but made me change the way I look at life.' Katie Fforde **Pressestimmen** *A HUNDRED PIECES OF ME* is bittersweet, lovely and ultimately redemptive; the kind of book that makes you want to live your own life better. (Jojo Moyes) An uplifting novel which will appeal to fans of David Nicholls. (Daily Mail) This vibrant and uplifting novel has not only entertained me hugely, but made me change the way I look at life. (Katie Fforde) A totally feelgood novel about the importance of living life to the full. (Sun) **Werbetext** As heart wrenching and life-affirming as *ONE DAY or ME BEFORE YOU*, *A Hundred Pieces of Me* is a story about what it means to finally live life to the full.
