Stuart's writing it does not surprise me I love Medeiros, too. I picked up *Whisper of Roses* and have been a fan ever since. As of late, she has turned her attention to faerytale. Face it, the little girl in all of us weened on Prince Charming will enjoy these fresh look at old tales. She revisits *Sleeping Beauty*, but in this big girls tales, it's Prince Baby who is sleeping or more to the case Duke Baby. Laura Fairleigh an orphan, was raised by a kind benefactress (aka Faery Godmother) who leaves her Arden Manor when she dies. Only one problem, in order to hang on to the Manor she must marry before she hits that kiss of death the Big 21st Birthday. She only has three weeks, so she prays for a man to be sent to her to save her from losing the house - and her prayers are answered - sort of. The man who comes, is the one she fears most (though she does not know this). He is Sterling Harlow, a roguish estranged son of Laura's benefactress known as the Devil Duke of Devonbrooke. He has come to kick the gooddigger out of "his" home and reclaim it, but he suffers a fall from a horse and is knocked out. Laura is getting desperate at this point, so when her kiss awakens him, she convinces him they are betrothed, hoping she can get him to the alter before the three weeks are up. It's a sweet and sexy tale that is just the perfect bedtime story for all grown up lasses!!

Die verwaiste Pfarrerstochter Laura Farleigh mu vor ihrem 21. Geburtstag verheiratet sein, um das Haus, in dem sie mit ihren zwei Geschwistern lebt, erben zu knnen. Da die Idylle davon bedroht ist, da der siebte Herzog von Devonbroke als Eigentmer des Hauses sie vor die Tr setzen will, ist guter Rat teuer. Als Erfllung ihrer Gebete findet Laura im Wald einen ohnmchtigen Fremden, der ihr als Heiratskandidat mehr als recht ist. Da sie sich ausgerechnet den als "Teufel von Devonbroke" verschrienen Herzog ausgesucht hat: mute ja so kommen... Leider hat das Buch so zwischen Seite 100 und Seite 200, als der Schwindel auffliegt, einige Lngen. Fr die Schilderung perfekter Harmonie sind hundert Seiten schwer zu ertragen. Trotzdem ein Buch, das sich auch auf Englisch zu lesen lohnt, zumal es auf Deutsch momentan neu gar nicht und gebraucht nur schwer erhltlich ist.

Geburtstag heiraten, um das Dach ber dem Kopf fr sich und ihre Geschwister zu retten. Sie betet zu Gott, ihr einen Mann zu schicken, und findet daraufhin einen bewusstlos im Wald, der zudem sein Gedchtnis verloren hat. Sie gibt ihn als ihren Verlobten Nicholas aus, und plant die baldige Hochzeit, jederzeit befurchtend, dass jemand auftaucht, der Anspruch auf ihren Traummann erhebt. Nicholas kann sich an nichts erinnern, dass er in Laura verliebt war, glaubt er gerne, alles andere, was sie ihm ber ihre gemeinsamen Plne erzht, verwirrt ihn eher. Nach der Hohzeit kommt es zum Eklat, als nicht nur herauskommt, dass Nicholas nie mit Laura verlobt war, sondern dass er zudem genau der Mann ist, der Anspruch auf Lauras Haus erhebt, und sie auf die Strae setzen wollte. "A Kiss To Remember" hat viel von einem Mrchen, den Prinzen, die gute Fee und auch die bsen Stiefgeschwister. Dass Lauras Plan nicht gut gehen kann, ist von Anfang an klar, die Frage ist nur, wann und wie der Schwindel auffliegt. Interessanter, da weniger vorhersehbar, ist dagegen, was danach passiert, und hier zeigt sich auch das Talent der Autorin, die widersprchlichen Gefhle ihrer Charaktere berzeugend darzustellen, und den Leser mitleiden zu lassen. Das einige Entwicklungen im Nachhinein etwas konstruiert wirken, ist dabei nicht von Bedeutung.

Kurzbeschreibung Book 3 of Teresa Medeiros's ONCE UPON A TIME Series A daring Regency miss finds her own "Sleeping Beauty" and awakens him with a kiss... If she is to keep a roof over her siblings' heads, rector's daughter Laura Fairleigh needs a husband. When she finds a mysterious stranger sleeping in the forest with no memory of his name or his past, she decides to claim him for her own. Little does she know that her fallen angel is really Sterling Harlow, the notorious rakehell also known as the "Devil of Devonbrooke". Too late, Laura realizes she has given him the right to claim not only her home, but her body and her heart. Now she must win the devil's heart to save both their souls. Praise for Teresa Medeiros and New York Times bestseller A KISS TO REMEMBER The irrepressible Medeiros pens another irresistible fairy-tale romance. Booklist Ms. Medeiros cements her place in your hearts with another classic. Romantic Times A Kiss to Remember is a pure joy to read! Oakland Press Clever, funny, and touching an absolute delight of a read that kept me thoroughly enthralled. Romance s Medeiros is a genius at plotting unique, entertaining, and captivating. Rendezvous The Once Upon A Time series include CHARMING THE PRINCE, THE BRIDE AND THE BEAST and A KISS TO REMEMBER (A KISS TO REMEMBER is also Book 1 of the Fairleigh Sisters Duet, which continues with ONE NIGHT OF SCANDAL) From Publishers Weekly Historical romance favorite Medeiros (The Bride and the Beast) once again puts her personal spin on a classic fairy tale, this time lightly adapting *Sleeping Beauty* by casting a man as the sleeper. Laura Fairleigh, orphaned by her rector father, has been raised by a kind benefactress who leaves her Arden Manor upon her death, provided Laura marry before she turns 21 just three weeks away when the story opens. Laura learns that her benefactress's estranged son, Sterling Harlow, a roguish duke known as the Devil of Devonbrooke, plans to return to claim his home. Laura, determined that Sterling not throw her and her young brother and sister out, literally prays to God for a man. Her prayers are answered when handsome Sterling suffers a bad fall from a horse and she discovers him unconscious. She has no idea who he is. Her kiss wakes him, but he has lost all memory of his identity. Ever resourceful, Laura convinces him they are betrothed. Will Laura

get him to the altar before he discovers her deceit? And what will Laura do when she realizes that the man she plans to wed is her sworn enemy? Sweetly tinged with Christian overtones, tartly spiced with bawdy references and sexy love scenes, laced with light humor and populated with a cast of fun characters, this latest not-so-Grimm tale should please Medeiros's sturdy fan base, perhaps winning her a few new converts as well. The irrepressible Medeiros pens another irresistible fairy-tale romance. Her *Sleeping Beauty* is Sterling Harlow, the devilish Duke of Devonbrooke, who becomes amnesiac after being thrown from his horse. Found by orphaned Laura Fairleigh, who had been taken in by the kindly Lady Eleanor, he awakens to her kiss. Laura must marry before her twenty-first birthday to inherit the dilapidated manor her benefactress left her, so finding a handsome gentleman in the woods who doesn't know who he is seems the perfect opportunity to create the man of her dreams. She assures him that he was too gallant to kiss her and that he never takes spirits; she then finds him a position as a parish rector. Soon he falls in love with Laura and her younger siblings, who restore the joy he lost when his father sold him as an heir to his abusive uncle, but family entanglements and old resentments threaten new love, Laura's inheritance, and future happiness.
