what every life needs...Von Renate ZiescheA bit of spice....here is enough spice to make you feel good and I just love "feel good" booksAndrea needed this little bit of Spice called Kendal...A light summer read...hope you buy it and enjoy it as much as I did

KurzbeschreibungAndrea Blakes life has order. Everything is meticulously laid out and planned, from her house in its quiet neighborhood to her career path at Hagans, the largest supermarket chain in the Northeast. Andrea knows what she wants. Enter Kendall Foster, the distractingly attractive woman in charge of sales for her familys local microbrewery, and somebody who wants very much to get her beer onto Hagans shelves. A decision that happens to be Andreas. The physical attraction is immediate and hard to resist, but Andrea doesnt need a complication like Kendall in her life, not when shes rocketing toward predictable security. But Kendall is fun. And smart. And oh-so-sexy. Can she convince Andrea that her rather flat, flavorless life could be way better with just a little bit of spice? KurzbeschreibungAndrea Blakes life has order.
