Von Sabrina Jeffries : A Notorious Love (Swanlea Spinsters) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Notorious Love (Swanlea Spinsters):

KundenrezensionenHilfreichste Kundenrezensionen5 von 6 Kunden fanden die folgende Rezension hilfreich. better than A Dangerous LoveVon Kindle-Kundethis is my favorite book of sabrina jeffries. the characters are likable, but

also human. they are not perfect like in many other romances, they have their flaws, too. the story is written so coherent that i read the book in one single night. helena, the heroine, is trying to find her sister who has eloped with a fortune hunter. helping her is daniel brennan, the man who pretended to be griff knighton in *A Dangerous Love*. on their journey following the missing couple the attraction between them grows stronger with each day until they cannot deny it any longer. that they need to pose as husband and wife makes it all the more dangerous. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Overall a lovely story with a few minor complaints. Von Miss HI really liked the book. It flows very nicely and is a very sweet story. I am reserved about 2 things though: 1. A heroin with polio: the heroin is lovely and I like how Ms Jeffries portrayed the heroin. It is just not the kind of thing I look for in a romance story. 2. A hero who speaks of love too prematurely: maybe it was not premature for other people, but the timing in the book was a little too early for me. Maybe "early" is not exactly the right word. I think for someone who is used to mocking and ridicule, prejudice and judgement, like our hero, it takes a little more than lust to know love. Or rather, a little mental tug-of-war is required for someone like this to know what love is. The above comments being said, I still find this book very enjoyable. It isn't the heart-wrenching kind of story that usually tug at my heart, but it is a sweet love story with 2 special lead characters.

Kurzbeschreibung Helena Laverick is at her wits end! The only man who can help find her eloping young sister is that scoundrel Daniel Brennan the man who played with her emotions last year and then left. And he used to be a smuggler! Although Mrs. Nunley's *Guide to Etiquette for Young Ladies* would never approve, Helena forced to go after the runaway in Daniel's company. But something about being with him feels oddly freeing and a delicious tingle warns Helena that more than her reputation may be in danger . . . Daniel finds most of the prim and proper lovely's rules ridiculous but when she insists on masquerading as his wife for the sake of appearances, he immediately envisions the delights of sharing a bedchamber. The unexpected smouldering beneath her straitlaced exterior ignites his desire, and the vulnerability hidden beneath her cool control makes him want her even more. Yet Helena's a lady, and he's the son of a highwayman. How can he ever ask her to share his world? .de Just what is it about bad boys that women find so irresistible? In Sabrina Jeffries's follow-up to *A Dangerous Love*, readers again encounter Lady Helena Laverick, who has committed Mrs. Nunley's *Guide to Etiquette for Young Ladies* to memory. But even the oh-so-proper Lady Helena can't help but notice Daniel Brennan's impressive dimensions when he answers her knock on his door dressed only in his underwear. What business does a gently reared young lady have with the disreputable son of a highwayman? Only the most dire circumstances could persuade Lady Helena to renew her acquaintance with that scoundrel, but her youngest sister has run away with a fortune hunter and Helena needs Daniel to help her find the young couple before it's too late. As a retired smuggler and Helena's brother-in-law's former man of business, Daniel knows how to get things done and his upbringing makes him ideally suited to this particular mission. Of course, Daniel could travel a lot faster if he didn't have Helena with him--and if he didn't need to fight his attraction to her every step of the way. But Helena is determined to help find her sister, and maybe (if she's totally honest) experience a little adventure along the way. Even if that means she has to put up with the provoking Daniel! With her trademark blend of sensuality and humor, Jeffries never disappoints her audience as Daniel and Helena learn to look past their many differences and discover their sizzling affinity for each other. This reader can't wait for the next installment from Sabrina Jeffries! -- Alison Trinkle.co.uk Just what is it about bad boys that women find so irresistible?
