**Von Anne Barbour : A Pressing Engagement (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Pressing Engagement (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. spannendVon emmazunchst hatte ich den zweiten band gelesen und nach den anspielungen auf die vorgeschichte dann eben auch diesen. der anfang war ungewhnlich, der stoff teilweise altbekannt, aber gut geschrieben und gut zu lesen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr gelungene GeschichteVon LisaIch finde es immer wieder beeindruckend, wie Anne Barbour interessante Personenkonstellationen findet und daraus fesselnde und unterhaltsame Handlungen entwickelt. So auch in diesem vergnglichen Roman.0 von 0 Kunden fanden die folgende Rezension hilfreich. Highly unrealisticVon Alexa S.What I don't like very much is that the story woven around the pair of lovers is always very short in Anne Barbour's books. After having read the first pages one always knows how they will end.

There are no unforeseen turns. Also her characters are very much alike and even the passages were love scenes are described are nearly the same throughout her books. Moreover there's always an extremely beautiful heroine, a dashing hero and neither of them believes in real love. Strangely, even though they are kissing all the time they think that they hate each other until the end approaches and they hardly think about anything else all day than each other. Less openly practised love, less thoughts laid open and a little more reality would make this and others of her books a lot better. She should give her other characters a chance to develop and fill their days with life and the books would be a lot nicer.

Kurzbeschreibung Jared Talent, Earl of Burnleigh, had his own reasons for wishing lovely Diana St. Aubin to pose as his fiance. And Diana was forced to agree, as the handsome Earl had the power to send her to prison for a crime of which she was not guilty. Difficult as it was to tolerate the pretense, Diana knew that the earl always got what he wanted. Regency Romance by Anne Barbour; originally published by Signet Kurzbeschreibung Jared Talent, Earl of Burnleigh, had his own reasons for wishing lovely Diana St. Aubin to pose as his fiance.
