**Von Stephanie Laurens : A Rake's Vow (Cynster)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Rake's Vow (Cynster):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Yet another masterpieceVon FannyPrice27109I must beg to differ with the reviewer uqub. They obviously don't

understand that Cynsters cease to be rakes after they find the perfect woman for them. Vane knew that Patience was she and consequently toned down his carnal instincts and saved his, um, body for her. I also felt that although Patience was not as deep a character as Honoria was in Devil's Bride that she was still an enjoyable person to read about. She was not an empty person. Lastly, even though the whole crime plot in the story was a little corny, it added to the lighthearted charm of the book. All in all, I loved it.1 von 1 Kunden fanden die folgende Rezension hilfreich. Keep introducing me to the Cynster men!!!Von Ein KundeThis was the first book I read of Stephanie's Lauren's or the Cynster series. I am hooked!! Vane was so refreshing, and so real in his reactions. I thought Patience was wonderful!! I was surprised to read that the majority of the other reader reviews found her boring. I have a very busy day with work and family, and found this book to be fun, engrossing, a wonderful story, and not at all insulting of my intelligence. I loved this book, the story line, the characters, Vane, and the incredible love scenes. Maybe because this was the first of the Ms. Lauren's books, I was not set up for disappointment. I have since purchased "Scandals' Bride" and LOVED it am now ordering Devil's Bride. These Cynster Men are awe-inspiring!! Let me say that I would like to thank Ms. Lauren's for doing more for the love life in my 11 year marriage than anything else - Stephanie Lauren's writing is the most wonderful aphrodisiac!!1 von 1 Kunden fanden die folgende Rezension hilfreich. Fun, Romantic, SensualVon Deborah L. KeplerThis is such a fun story. The characters are well formed and some are quite quirky, which all add to the body of this story. When Vane Cynster seeks shelter from a storm at his godmother's home, he doesn't expect to meet his destiny, Patience Debbington. Patience is instantly attracted to the handsome Vane, but is cautious when it comes to "gentlemen". Vane is equally attracted, but this woman is living under his godmother's roof and he can't possibly follow his "baser" instincts and act upon them. To win Patience over he first must solve the mystery of the "Spectre" and a petty thief that are causing trouble for everyone. What ensues is a fun adventure and love found that will keep you glued to the book.This is the second in the series of the "Bar Cynster". Try and get them all, you'll be glad you did!

KurzbeschreibungHe vowed he'd never marry. To Vane Cynster, Bellamy Hall seems like the perfect place to temporarily hide from London's husband hunters. But when he encounters irresistible Patience Debbington, Vane realizes he's met his match ... She vowed no man would catch her. Patience isn't about to succumb to Vane's sensuous propositions. Yes, his kisses leave her dizzy and his caresses made her melt; but Patience has promised herself she'll never become vulnerable to a broken heart. Is this one vow that was meant to be broken?.deTo this second book of her Bar Cynster series, Stephanie Lauren's brings a thorough command of Regency style, as well as graphic, uninhibited love scenes. Elegant, commanding Vane Cynster graciously bows to fate when he seeks shelter from a storm and meets the woman he realizes he's destined to marry--Patience Debbington, the spinster niece of Vane's kindhearted godmother. Although her attraction to Vane is immediate and electrifying, Patience distrusts "elegant gentlemen" like her father, who broke her mother's heart by failing to return her love. To pursue Patience, Vane settles into his godmother's household, which consists of various poor relatives and assorted hangers-on, and is caught up in the search for a petty thief and occasional "Spectre" who is harassing them. It requires all of Vane's investigative abilities to catch the criminal, and all of his considerable powers of persuasion--as well as many ardent couplings with Patience--to convince her that family, loyalty, and love come first for him. Lauren's is especially skillful at capturing Regency males, aristocrats whose refined restraint barely masks their powerful underlying urges. Appearances by others of the extended, devoted Cynster family ensures that readers will become increasingly attached to this ongoing series. --Ellen Edwards.comTo this second book of her Bar Cynster series, Stephanie Lauren's brings a thorough command of Regency style, as well as graphic, uninhibited love scenes.
