Von Crista McHugh : A Soul For Chaos (The Soulbearer Trilogy Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Soul For Chaos (The Soulbearer Trilogy Book 2) (English Edition):

Hauptfiguren. Arden muss hart um die Beherrschung des Chaosgottes in ihr kämpfen, was natürlich zu absolut herrlichen inneren Konversationen führt. Ihre Beziehung zu ihrem Beschützer Dev wird allerdings ganz erheblich durch den etwas nervigen Kell gestört, was ich schade fand und innerlich den Prinzen am liebsten vom Boot geschubst hätte... Auf jeden Fall empfehlenswert!

Kurzbeschreibung Life is dull without a little Chaos. Trouble is more than just a nickname for Arden Soulbearer. It seems to follow her wherever she goes. And no one knows this better than her protector, Devarius TelBrien. Dev thought that by moving Arden to Gravaria so she could learn how to control Loku, the chaos god whose soul inhabits her body, life would be simpler. Wrong. Not only is he continually torn between his duty and his growing feelings for the Soulbearer, but he also has to contend with the rival prince who wishes to claim her heart. Adding to his problems, a group of powerful mages have banded together to rid the world of the disembodied chaos god once and for all. Of course, that means they have to destroy Arden in the process.
