The fairytale you didn't know you'd been waiting for!Von ink.eaters book blog"A Sudden Crush" by Camilla Isley is the adult fairytale you didn't know you'd been waiting for; it's like having your favorite Disney princess finding herself in

the best episode of "Lost", all wrapped in some "Robinson Crusoe" and sprinkled with some "Jungle Book" and a lot of fairy dust. It is safe to say that Camilla Isley is most definitely romantic comedy royalty. Her writing is catchy and even in the story's most dire moments, you will find yourself wiping away tears of laughter. While I have to admit that I, at times, really had trouble bonding with the novel's characters, I can't deny that it strangely enough didn't bother me at all to not be clicking with the main characters on an all too emotional level. Why? - Easy. Because the story itself was so well written and playing out like a movie in front of my eyes, I didn't need to have the hots for the leading man, or bff-status with the female protagonist, to be enjoying it. "A Sudden Crush" just is the kind of book that you pick up, immediately enjoy and don't want to put down, because it can entertain you for hours. And it will have you wanting a pet-monkey!"A Sudden Crush" is an overall great read, which you should definitely be adding to your summer reading list!(Okay, yes, I did read it in January/February and it was a great read to keep me warm while cuddled up in bed, sick, but this really would be a great beach-read! Not that you can't read it any time of the year! ;-)

Kurzbeschreibung Joanna Price is a city girl with the perfect life. She loves her job as a book editor, she just married Liam, high profile bestselling author and the man of her dreams, and she's headed to the Caribbean to enjoy two weeks of paradise for her luxurious honeymoon. Connor Duffield is a gruff, grumpy rancher from the Midwest. He is a country boy who has a no-nonsense approach to life, more scars than he'd like to admit, and he hates city girls. So it's just a misfortune they have to sit next to each other for a six hour plane ride. Even more so when their flight is caught in the perfect storm and Joanna wakes up stranded on a desert island with Connor, the very man she hoped she would never have to see again. Why are they alone on this forsaken island? What happened to Joanna's husband? When her dream honeymoon turns into a hilarious tropical nightmare, Joanna's first thought is survival. However, she and Connor will quickly discover just how boring paradise can be. As the days turn to weeks, and then months, this mismatched pair will have to learn how to coexist and how to resist the sparkles of an attraction they weren't prepared to feel. When they are finally rescued will Joanna's marriage be saved as well, or will the life she knew and loved be in ruins? A Sudden Crush is a contemporary romantic comedy filled with humour and adventure that will make you laugh out loud. It's a modern day fairy tale, like a cross between Cinderella and Robison Crusoe. A fun beach read perfect for summer reading but also for a winter escape. Wonderful if you like a love hate relationship. A great chick lit book for the beach. Get stranded on a deserted island with a stranger, fall in love, and find a Happy Ending all in one book. Have fun all summer long.
