Von G.A. Aiken : A Tale of Two Dragons (Dragon Kin series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Tale of Two Dragons (Dragon Kin series) (English Edition):

Kurzbeschreibung "A hot, hot series." --Library Journal "Sizzling." --RT Book s Braith of the Darkness likes going through life unnoticed. Not an easy task for a She-dragon of royal descent. But the evil plots of her father are turning her quiet, boring life upside down, and she has now become the enemy of the most vicious queen her kind has ever known. But for once, Braith won't have to fight alone. Not when the warrior dragon of her dreams is willing to risk everything to save her neck. Addolgar the Cheerful wishes he could say he's helping the pretty royal strictly for honorable reasons--but he'd be lying. It's not his fault, though! He didn't tell Braith of the Darkness to have the most delicious tail he's ever seen! Yet before Addolgar can get his very strong claws on that tail, heads are going to roll. Just hopefully not theirs. . . "A chest thumping, mead-hall rocking, enemy slaying brawl of a good book." --All Things Urban Fantasy on The Dragon Who Loved Me 53,813 Words
