Von Nicholas Sparks : A Walk To Remember (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Walk To Remember (English Edition):

Kurzbeschreibung Can you resist the depths of the human heart? It is 1958 and seventeen-year-old Landon is revelling in his youth: dating girls and even claiming to have been in love. He is a world apart from shy, reclusive Jamie Sullivan, a Baptist's daughter who carries a bible with her school books, cares for her widowed father and volunteers at the orphanage. But fate will intervene. Forced to partner up at the school dance, Landon and Jamie embark on a journey of earth-shattering love and agonising loss far beyond their years. In the months that follow, Landon discovers the true depths of the human heart, and takes a decision that is so stunning it will lead him irrevocably down the road to manhood . . . de In the prologue to his latest novel, Nicholas Sparks makes the rather presumptuous pledge "first you will smile, and then you will cry," but sure enough, he delivers the goods. With his calculated ability to throw your heart around like a yo-yo (try out his earlier *Message in the Bottle* or *The Notebook* if you really want to stick it to yourself), Sparks pulls us back to the perfect innocence of a first love. In 1958 Landon Carter is a shallow but well-meaning teenager who spends most of his time hanging out with his friends and trying hard to ignore the impending responsibilities of adulthood. Then Landon gets roped into acting the lead in the Christmas play opposite the most renowned goody two-shoes in town: Jamie Sullivan. Against his best intentions and the taunts of his buddies, Landon finds himself falling for Jamie and learning some central lessons in life. Like John Irving's *A Prayer for Owen Meany*, Sparks maintains a delicate and rarely seen balance of humor and sentiment. While the plot may not be the most original, this boy-makes-good tearjerker will certainly reel in the fans. Look for a movie starring beautiful people or, better yet, snuggle under the covers with your tissues nearby and let your inner sap run wild. --Nancy R.E.
