Von Tessa Dare : A Week to Be Wicked (spindle cover) before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Week to Be Wicked (spindle cover):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Light and enjoyable but not shallow Von Silvia This is such a fun book to read. Im not sure if one should label a historical

romance as fun book but that's what it is. I much enjoyed reading about Minerva and the rake, and I don't think there's another e-book where I've marked so many passages but when there's things like this, Frightened. Ha. What was that he heard, splashing into the water? Must have been a gauntlet, or she'd been used to thinking him a devil, but he had the body of a god. A lesser one. how can you resist? I found myself chuckling very, very often. There's angst, and there's heat, and there's fluff, and there's adventure, but no matter what the atmosphere, it's all delivered in an enjoyable, easy-to-read tone only a master storyteller can achieve. Don't go looking for historical accuracy, I'm sure there are flaws, but all in all it's a believable story with a modern ring to it. Modern enough not to fall into an Austenesque rigidity (mind you, I do like Jane Austen, but to copy her style and language invites failure), but not too modern as to make you cringe. It's a light and enjoyable read with a bluestocking heroine who's not so bluestocking after all, and a rakish hero who's more literate than he'd like the outside world to see. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Gute Unterhaltung Von eathekla Also ich kann mich meinem Vorredner nicht anschließen. Ich habe mich kstlich amsiert. Es stimmt, dass es in dem Buch hauptsächlich um die zwei Protagonisten geht. Aber die witzigen Dialoge zwischen den beiden haben mich zum Teil herzlich lachen lassen. Und was ihnen unterwegs alles so passiert, fand ich sehr unterhaltsam und alles andere als langweilig. Kurz um : empfehlenswert. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein Lesespass Von Mellie Mineral, Anfang 20. Hauptinteresse: Geologie. Hauptbeschäftigung: Forschungsarbeiten und lesen. All das zusammen macht sie zum Alptraum ihrer Mutter, die die jüngere Schwester unbedingt mit Lord Payne verheiratet und sieht dies durch Minervas Verhalten gefährdet. Mineral selbst in den Lord verliebt, fühlt sich chancenlos, aber Lord Payne als Schwager?! Niemals. Sie greift zu einem Bestechungsversuch und berredet ihn zu einem Trip nach Schottland. Rhrend und witzig wird beschrieben, wie sich zwei nherkommen, die so gar nicht zusammen zu passen. Gute, leichte Unterhaltung.

Kurzbeschreibung Unexpected lovers find themselves together in Spindle Cove with A Week to be Wicked the second book in Tessa Dares utterly delectable historical romance series. This Regency Era delight finds a restless British lord desperate to escape the quaint and too quiet small seaside resort he's trapped in and he gets much more than he expected when he eagerly agrees to escort a beautiful, brilliant, socially awkward lady scientist to Scotland. Concerning Tessa Dare and her irresistible romances, bestselling author Julia Quinn is spot on when she says, Prepare to fall in love! And anyone who loves the novels of Lisa Kleypas, Christina Dodd, and Liz Carlyle is going to adore having A Week to be Wicked. Buchrückseite When a devilish lord and a bluestocking set off on the road to ruin . . . time is not on their side. Minerva Highwood, one of Spindle Cove's confirmed spinsters, needs to be in Scotland. Colin Sandhurst, Lord Payne, a rake of the first order, needs to be . . . anywhere but Spindle Cove. These unlikely partners have one week: to fake an elopement to convince family and friends they're "in love" to outrun armed robbers to survive their worst nightmare to travel four hundred miles without killing each other All while sharing a very small carriage by day and an even smaller bed by night. What they don't have time for is their growing attraction. Much less wild passion. And heaven forbid they spend precious hours baring their hearts and souls. Suddenly one week seems like exactly enough time to find a world of trouble. And maybe . . . just maybe . . . everlasting love.
