Wahnsinns Buch Von Ein Kunde Ich hab dieses Buch schon vor 5 Jahren schonmal gelesen, und wollte nun nochmal das Original lesen. Es ist definitiv eines dieser Bücher, wo man am Ende nach mehr verlangt und einfach nicht will, dass das Buch schon zu Ende ist. Wer ein weiches, romantisches Herz hat wird hier eine wundervolle Geschichte über Stärke und

Liebe finden. Einmalig, toll, gefühlvoll...man kann einfach nur schwärmen und sich in der Geschichte fallen lassen und mitfühlen. Lesen sie es und sie werden ein "book to remember" haben. Viel Spaß!!!

Von Ein Kunde all the earlier reviews saying this novel was inspiring are true, at least I think so. I read the book in under a week and this was back in the days when I hated reading and dragged a book out for weeks on end until I finally finished it or just gave up. I felt the book was worth every second I took to read it. It actually inspired me to give it my all for an entire day! That's something. I've read this book a few years ago, but I still remember it. One scene that still sticks in my mind was when Emma and Edward were in the garden and she told him she was pregnant. When she broke the news to him that she would leave, he didn't ask WHERE she was going, but WHEN she was leaving. I was like WHAT!?!

Von Ein Kunde I watch more TV than I read, but Barbara Taylor Bradford has changed my thinking. I specifically am searching for her books now, because "A Woman of Substance" really grabbed me. I laughed and I cried and I was really shocked. When I got near the end of the book, I did not want the story to end. I could really feel the friendships with Emma and Blackie. They were always there for each other through everything. Their relationship moved me. And the book was very inspiring for me as a woman. She didn't wimp out and kept fighting for what she wanted and what she earned.
