**Von Dana Marton : Accidental Sorceress (Hardstorm Saga Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Accidental Sorceress (Hardstorm Saga Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The heroines quest amazing sequel in the Hardstorm SagaVon MinaNote: this is the 2nd book in the fantasy series Hardstorm Saga and the books follow an overall story arc, so this is not a good place to start. If youre new to the series, I recommend to stop reading here and start with Reluctant Concubine.ReviewIts not common that a sequel

surpasses its predecessor in nearly every aspect, yet this is what Dana Marton accomplished here. All flaws Reluctant Concubine had in my opinion are erased here and this made the book a veritable five stars read for me. Where in book one I had my problems with the heroine Tera the Healer and her lover the High Lord Batuman as being a bit stereotyped, there is none to be had of that here: very early they depart for a journey by themselves in disguise around their known world to gather allies and devise plans to thwart the evil emperors looming invasion and conquering of all free lands. And things get astray nearly from the first step out the palace doors. And what follows is a very classical and very well written fantasy hero and heroines quest and its safe to say that at the end none still is who he or she was at the beginning. Especially Tera, whose hardships were at times difficult to read about [I so suffered with her], does become a true yet believable heroine with all the necessary qualities. Defeating her misery, overcoming obstacle after obstacle and paying the prices of her decisions and still going on no matter how impossible it seems, just because there is no alternative to be had that is what makes her wonderful to follow. And I appreciate it that Ms. Marton did not once resort to deus ex machina solutions, but let her characters fight their respective ways through their problems. Since Tera and Batuman are on the road, there are new faces in the mix and the enlarged cast of characters, as well as the new countries that are explored, gave both world and plot more credibility. I may have been devastated by some stuff that happened, but I couldn't lay the book down and in the end it all made sense. Like it couldn't have been any other way. So if you're getting faint at heart in the middle of the book [there is hard stuff happening], take courage: it does end in a way I did not foresee but was nevertheless very satisfying. And the best thing: each and all stereotypes are left behind, each character and the plot have become very unique with this book. I can totally recommend the book to all high fantasy lovers and the wait for the next book will be hard for me. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Gripping sequel to Reluctant Concubine Von xcat23 Very gripping sequel to Reluctant Concubine. I'm looking forward to the next part of their story. Colourful worlds and interesting people. And I loved the idea of war tigers in the first book, so it was nice to have more of them. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Better than the first! Von Ciel This book just swept me away and it is actually better than the first. It is darker, but not to much so and the ending... urgh I absolutely loved it!

Kurzbeschreibung--Book 2 of the Hardstorm Saga from New York Times bestselling author Dana Marton. Marton excels at worldbuilding and character development. Kirkus Tera, a powerful healer, travels with her beloved warrior, the High Lord Batumar, on a secret mission to forge alliances to stop the bloodthirsty Emperor Drakhar. Surviving vicious pirates, slave traders, and an ancient enemy of dark power is only the beginning. The journey brings Tera unimaginable hardships and loss, testing her spirit and heart as she gathers her own allies and fulfills her destiny. Adding a tiger and a wraith as companions on her journey, Tera struggles to survive with her wits and healing skills while protecting her light from the dark power that seeks to claim her. The splendor of the authors vision cannot be overlooked. RT Book ON SALE FOR A LIMITED TIME Scroll up and grab a copy today.
