And voil the author just did it again - never expected this book to turn out as it is. Concentrating on Colton the first books now the

focus lies on Rylee. It's just unbelievable how Kristy manages it in every book to keep the readers eyes on the line. I just couldn't put it aside - just another page, another chapter. Impossible. You just have to know how the story develops. Amazing. Keep going Kristy. Can't wait for Zanders book!!!!0 von 0 Kunden fanden die folgende Rezension hilfreich. Perfect conclusionVon readerI loved the book. It covers the 10 year gap between the wedding of Colton and Rylee and the barbeque in the Epilogue. So much of this book may not be a surprise to the reader, we know Rylee and Colton have a child of their own, they have adopted Zander, and the boys are still a part of their life.In this book we get to know how it came about. They still are crazy in love, uber happy they are going to have a baby, Rylee loves working with the boys, Colton is still racing. Everything is perfect and I started thinking, what a boring book. And then bammmmm ' everything falls apart, well done on the suspense level.The third part of the book deals with Rylee's postpartum depression, very well described with a lot of compassion. As a mother having had severe baby blues herself, I could commiserate with Rylee's stress and doubts. We learn how patiently Colton tries to help her, his personality has matured so much.It was refreshing to read a book after the HEA, about the challenges a marriage faces, the downside of having a baby, not just sleepless nights but also problems a perfectionist like Rylee has no control over and the safety net a tight knit family and friends provide.A great finish to the series.Too bad this might have been the last book.0 von 0 Kunden fanden die folgende Rezension hilfreich. AmazingVon Anastasia DonovanRoses are RedViolets are BlueYou RACE the BooksYou need a emotional rollercoaster drive? Read ACED and all other books from this amazing author. ACED is so much more than only a lovestory. This book and the other books with the story of Colton and Rylee will change your whole world. For the German ladies: Don't have fear to read it in English. You can understand it. I loved to read this book. It was like coming home.

KurzbeschreibungRylee and Colton's ride continues...One moment. Six years ago.The night she made the world around me so much more than just a blur. Now it's the catalyst that threatens to tear us apart.Our happily was supposed to be ever after. So why do I feel like it's slipping through my fingers? How can one moment, when our world seemed so right, resurface and cause our perfect life to spiral out of control? I can't lose her.She's my checkered flag.(Reading Order: Driven, Fueled, Crashed, Raced is optional, and then Aced. Slow Burn, Sweet Ache, and Hard Beat are standalone Driven novels that can be read on their own and in any order.)Pressestimmen"Bromberg reminds you why this series was the phenomenon it is.
