this Series! Von Robyn Act of Submission: An Immortal Ops World Novel (PSI-Ops / Immortal Ops Book 3) is an action packed adventure into the supernatural world of shifters, hybrids, and all that scary stuff that goes bump in the night. This story reaches into the heart of Cat Shifter Miles "Boomer" Walsh. Miles is a loner. He chooses a life that will never let anyone, or anything get close enough to him. When he is not chasing the bad guys he is caring and rescuing animals at his sanctuary that have been abused or used as peoples play toys. Keeping order and structure is vital to his mental stability. Going off the rails is not an option for him. All of that structure is going to change when his mate crashed into his life. Haven Carey has one driven goal KILL the man that KILLED her brother! Haven, a student of veterinary medicine struggles with her own identity. She really does not know what or who she really is. Adopted with her brother they lived a normal life, until the first change. Her brother took off, never to return. Haven struggled and even though she could be in the sun and eat food there was a part of her that craved the warmth of blood. Back at Miles home the gang is all gathering for their typical dudes poker night. What starts out as a fun night turns into a battle for Miles and Haven. When these two finally meet their passion cannot be ignored. Within 24 hours these two are inseparable. Can Miles come to terms with his abusive past? Will Haven see the real Miles and understand not everything you see is true?? This is an awesome read. I cannot wait for the others to find their true mates!
