This book kept me captivated from start to finish. She carries the reader through a myriad of emotions from spine-tingling suspense to heartbreaking sadness, and joy! Gray and Faith are so perfect as hero and heroine, and Howard knows how to bring her characters personally to the reader. She gives us the closest thing to a "real" Gray we'll ever have. I'm in love with love all ove again. Linda Howard is topps!7 von 7 Kunden fanden die folgende Rezension hilfreich. Linda Howard is Mesmerising!Von Deborah MacgillivrayEver since she was a girl, Faith Devlin had worshiped stunning, sophisticated Gray Rouillard. They could not be more different. Gray's father practically owns the small town of Prescott, and in her young girl's dreams, Gray is a knight in shining armor. That hero's image is shattered in one shattering night that is forever to change the lives of both Gray and Faith. He was all things good, bright and wonderful - until the night he throws Faith and her dirt-poor family out into the streets. Gray's father, a notorious womanizer has finally gone over the edge and left his family, disappearing into the night with his lover - none other than Faith's mother. When Gray discovers this, he takes out his uncontrollable rage upon Faith's and the rest of her family, evicting them from Rouillard land in the middle of the night.It was a memory that was to form the rest of Faith's life. Now she lives for only one reason, to return to Prescott and finally solved what happened to Gray's father and her mother. No longer the small town girl from a family of white trash, Faith has worked very hard to make something of herself. And the time has finally come for Faith to go home. Faith did not expect Prescott to welcome her back with open arms, and she is not disappointed. Faith is the living image of her mother and in a small town people only remember all too well her mother destroyed the Rouillard marriage. But she is mildly surprised to the lengths people will go to please the now powerful Gray. She is asked to leave a motel, the police harass her, and the grocery store owner refused to even sell her groceries. However, this Faith is not the little trusting girl that could not defend herself and her family, and nothing and no one, not even the sexy Gray Rouillard, will stop her from finding out what really happened that night their parents vanished.Only she was not prepared for Gray himself. Nor the fact that, though Gray hates her family and wants her gone from the town, Gray is making it clear her wants Faith, and he will break any rules to achieve his aim.However,there is someone else in town very frightened by Faith's return. When someone starts threatening Faith, Gray finds himself wanting to protect her, pulling him into questioning just what did happened that night.Vivid,and gripping characters, a powerful setting, and an intriguing mystery. Howard weaves a spell like none other.3 von 3 Kunden fanden die folgende Rezension hilfreich. Sexy, Sizzle, and SensualVon Ein KundeI was sitting in an airport in Miami on an extended layover when I decided I needed something to read. I'm not sure what I expected when I started this book, but this wasn't it. I had never read a Linda Howard book before but that back cover looked interesting, so why not? Well, I have become a very big fan of Ms. Howard and read everything she writes now. From the very first pages, I was hooked. She created a world so very different from any community I have ever seen.(I mean, how many of us come from home towns that are controlled by one family?) I also felt Faith's humiliation, fear and anger at being a "Devlin". The sparks fly and the story builds and I couldn't put the book down. You could see them fighting the fire with sharp tongues but at the same time you can see the tenderness they feel for each other. My only complaint was how fast the book ended. The last chapter was funny and sweet, but it felt rushed. I really wanted some of the things that weren't said, said. With Gray's "playboy" history, I personally would of wanted something more then I-love-you-let's-have-a-baby-get-married rush. Maybe it's just me, but a final chapter where he tells her why he loves her and that its more then just lust and that he won't treat their marriage like his father treated his marriage would have made it seem more "forever".

KurzbeschreibungFAITH DEVLIN: A poor, outcast child in Prescott, Louisiana, she'd always adored the town's golden boy from afar. But he called her white trash that sultry Southern night when his rich, respected father disappeared, along with her pretty Mom. Now Faith wanted to hate Gray Rouillard...not to feel a powerful surge of desire. But she couldn't quench her passion, any more than she could hide the truth about the past she had waited so long to unravel.GRAY ROUILLARD: Even when he raised hell, he did it with style. Reckless, charming, and backed by Rouillard money, Gray controlled the town of Prescott -- and Devlin was a name he never wanted to hear again. But when he gazed at Faith Devlin, all he saw was a swirl of tangled sheets and her silken flesh beneath him. To care for her was impossible, unthinkable...because Gray Rouillard planned to use all his power to ruin her..deFaith Devlin grew up knowing that Gray Rouillard thought she was trash because his rich father ran away with her pretty, sexy mother. She almost hates him for it, but she can't, because every time he looks at her she wants him more. Gray controls the tiny Louisiana town, but he finds can't control Faith -- until he gets close to her. And underneath the passion, there's a mystery to be solved.
