Von Dorothy Garlock : After the Parade (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised After the Parade (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A Terrific end to a Groundbreaking SeriesVon Maudeen WachsmithDorothy Garlock's series set in the 30s and 40s has

been truly groundbreaking -- not many romance novels being set in these decades. AFTER THE PARADE continues the story of Johnny Henry and Kathleen Dolan from WITH HEART. And tells the story of them and their marriage after Johnny returns from World War II. Their marriage is in jeopardy after the death of their infant daughter -- a death Johnny blames on himself and his heritage. There is also something more dangerous about as an admirer of Kathleen's crosses the line from admiration to obsession. Dorothy Garlock deftly tells their story as only someone of her talent can. Here's hoping more authors follow her lead and write stories set in the 30s and 40s. AFTER THE PARADE is a must read. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Dorothy saved the best of the series for last. Von jckGarlock manages to pull out a historical period not usually covered by romance authors - and gives us a truly wonderful story. I enjoyed the book that preceded "After the Parade" but LOVED this final work the best. Her characters have substance - with both strengths and weaknesses, faults and goodness. Garlock is to be commended for her ability to cover the era so accurately. Kathleen and Johnny's story is one that will all can identify with - a tragic event, depression, denial and the difficult path to rebuilding. The characters that surround the couple and support them are as rich, and interesting as Kathleen and Johnny. Dorothy, what a wonderful tribute to your husband, by dedicating this one to his memory. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wonderful way to end the series Von Susan M. Denice In the final book of her latest series, Dorothy Garlock writes a 2nd book on the lives of the beautiful red-headed Kathleen and Johnny Henry. I didn't think that there could be another book about them, the way the last one ended. However, Ms. Garlock came up with a wonderful story to keep these characters alive. All the other characters from the series show up or are mentioned in this book, and it's fun to be reacquainted with them. She is so wonderful on character definition, and I particularly enjoyed the depths to Johnny Henry. If you enjoyed the rest of the series, you'll be doing yourself a favor finishing this book.

Kurzbeschreibung DOROTHY GARLOCK... is a New York Times extended list bestselling author, "a gifted writer" (Chicago Sun-Times) who celebrates the indomitable American spirit and the triumphs of the caring heart. Now she vividly portrays the era after World War II, when men and women torn apart by years of combat had to rebuild marriages and lives... Rawlings, Oklahoma, 1945. Johnny Henry is coming home from the Pacific, and his estranged wife, Kathleen, secretly watches him step off the train to a hero's welcome. Her heart races when she sees him; his breaks when he doesn't spot her. Misunderstanding and tragedy had destroyed their marriage right before he shipped out. Now Johnny's pride will keep him from confessing how wrong he had been; now Kathleen's hurt will stop her from running into his arms. But when a disturbed stalker plunges Kathleen into a real-life nightmare, her only hope is Johnny -- and a love that can bring two hearts through every battle, especially the one within.. deSetting: Rawlings, Oklahoma, 1945 Sensuality: 7 Johnny Henry returns from World War II to a boisterous hero's welcome, but the only face he really wants to see is that of his estranged wife, Kathleen. Craving assurance that he is alive and well, Kathleen watches him from afar, never realizing that he searches the crowd for her. After the parade is over, Johnny struggles to rebuild his life and deal with his love for Kathleen--a love that he is convinced is now forbidden. For her part, Kathleen's heart is breaking as she's often thrown into Johnny's company in the small ranching community of Rawlings, Oklahoma. The tragedy that tore the couple apart before Johnny shipped out for the Pacific still haunts them both. And the depth of misunderstanding that lies between them seems insurmountable until Kathleen's life is threatened and Johnny is forced to confront his fears. Garlock offers a keen insight into the mores and character of 1940s middle America in this post- World War II novel. Blue-collar workers and the rural atmosphere blend well with the hint of deranged obsession that threatens the heroine in this fourth and final of Garlock's books set in Oklahoma. -- Lois Faye Dyer.com Setting: Rawlings, Oklahoma, 1945 Sensuality: 7 Johnny Henry returns from World War II to a boisterous hero's welcome, but the only face he really wants to see is that of his estranged wife, Kathleen.
