KurzbeschreibungSequel to Rise FallTHIRDS: Book Five As the fiercest Defense Agent at the THIRDS, Destructive Deltas Ash Keeler is foul-mouthed and foul-tempered. But his hard-lined approach always yields results, evident by his recent infiltration of the Coalition. Thanks to Ashs skills and the help of his team, they finally put an end to the murdering extremist group for good, though not before Ash takes a bullet to save teammate Cael Maddock. As a result, Ashs secrets start to surface, and he can no longer ignore whats in his heart.Cael Maddock is no stranger to heartache. As a Recon Agent for Destructive Delta, he has successfully maneuvered through the urban jungle that is New York City, picking up his own scars along the way. Yet nothing hes ever faced has been more of a challenge than the heart of Ash Keeler, his supposedly straight teammate. Being in love isnt the only danger he and Ash face as wounds reopen and new secrets emerge, forcing them to question old loyalties.KurzbeschreibungSequel to Rise FallTHIRDS: Book Five As the fiercest Defense Agent at the THIRDS, Destructive Deltas Ash Keeler is foul-mouthed and foul-tempered.
