Von Sarah Castille : Against the Ropes (Redemption) before purchasing it in order to gage whether or not it would be worth my time, and all praised Against the Ropes (Redemption):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fighter, businessman and biker... Torment is the answer to all your fantasies! Von Magritte Meet the men from the redemption Club, an Underground MMA fighting club ruled by its owner: Torment. And when Torment sets an eye on Makalaya you have the Impression at first to read a book by Katy Evans. But then Mrs Castille takes her distance from Real

(Katy Evans) and you discover a lot of other things. Torment, alias Max is everything you want in man: sweet and strong, hot sexy well rich and a biker and a fighter... somehow I have the Impression Mrs. Castille wants to please everyone. Makayla and Torment are a fascinating couple. There is fun and gentleness in a world of male violence, strength and pain. Makayla seems lost but is real strong and Max seems broken but is so strong. The read was real fun and nice even if sometimes it was too similar to other books. Enjoy the read MBTM

Kurzbeschreibung
A Publishers Weekly Top Ten Pick for Romance Erotica
He scared me. He thrilled me. And after one touch, all I could think about was getting more... Makayla never thought she'd set foot in an elite mixed martial arts club. But if anyone needs a medic on hand, it's these guys. Then again, at her first sight of the club's owner, she's the one feeling breathless. The man they call Torment is all sleek muscle and restrained power. Whether it's in the ring or in the bedroom, he knows exactly when a soft touch is required and when to launch a full-on assault. He always knows just how far he can push. And he's about to tempt Makayla in ways she never imagined...
