Von Susan Elizabeth Phillips : Ain't She Sweet? before purchasing it in order to gage whether or not it would be worth my time, and all praised Ain't She Sweet?:

KundenrezensionenHilfreichste Kundenrezensionen8 von 8 Kunden fanden die folgende Rezension hilfreich. Wow!! Lesen!!Von Sybille BlumEine der besten, wenn nicht gar die beste Romanze die ich bisher gelesen hab. Toll!!!! Die Handlung ist nicht gar sooo offensichtlich, ... gut, ein bisschen schon, aber darum liest man sowas ja. Sugar Beth kommt nach vielen Jahren zurück in ihre kleine Heimatstadt, wo sie damals als Highschoolprinzesschen viel Unheil angerichtet und Unmut zurckgelassen hat. Nun trifft sie alte Bekannte wieder und muss sich ihrer Vergangenheit stellen.Der Roman ist in einem gut verstdnlichen Englisch geschrieben und fesselt gewaltig. Ich hab nur 2 Tage gebraucht um dann leider feststellen zu mssen dass der Spa auch schon wieder vorbei ist.Wer witzige, romantische Geschichten mag wird an diesem Buch sicherlich viel Freude haben!!8 von 10 Kunden fanden die folgende Rezension

hilfreich. Don't miss it!! It's really great!! Von Ein Kunde This is the new book from SEP. It's about Sugar Beth Carey who is the daughter of the richest family in Parrish. She is the most beautiful and popular girl from the high school. The only negative point in her life is her father who ignores her constantly. She craves for his love but her father is only willing to give his unconditional love to Sugar Beth's half sister Winnie for which reason Sugar Beth hates Winnie and makes her life a living hell. After leaving Parrish Sugar Beth returns 15 years later and sees herself confronted with her rebellious past as well as her enemies. However, Sugar Beth has grown up and has become another person ... This book is really amazing. SEP tells the story about Sugar Beth's life, about friends she left behind and finds again 15 years later as well as finding and accepting her half-sister. I highly recommend it to all fans of SEP!! 3 von 4 Kunden fanden die folgende Rezension hilfreich. My favorite book by SEP Von Allegrissima This is SEP's funniest and wittiest book. She was able to create a wonderful tension from the very first page to the (maybe a bit to happy) happy end. I am very glad that the author finally left her usual tracks (30 year old virgin and gorgeous athlete have great sex, she falls in love, he happens to need a little longer to find out that he feels the same, wedding, baby, happily ever after...) This time we meet Sugar Beth Carey, a gorgeous Southern lady who has buried her dreams with her third husband. She is broke, lonely and desperate when she comes back to her hometown Parrish, Mississippi, where she has to deal with the consequences of her reckless past. The very first shock is that the house of her childhood now belongs to Colin Byrne, her former high school teacher, who had to leave Parrish after a character assassination (- of course done by Sugar Beth). Now he is back as a bestselling author, a very respected inhabitant and her very enemy. The disputes between Sugar Beth and Colin are absolutely brilliant. Colin intends to let Sugar Beth pay for her former mistakes. But he has to learn that the once egoistical and intriguing high school belle has changed and developed into a caring person who hides her warm and sensitive heart behind her sassy attitude. The reader witnesses not only Colin's attempts to win Sugar Beth's love, but also the story of two halvesisters who manage to overcome their parents' mistakes. Really recommendable!

Kurzbeschreibung Ain't She Sweet? Not exactly . . . The girl everybody loves to hate has returned to the town she'd sworn to leave behind forever. As the rich, spoiled princess of Parrish, Mississippi, Sugar Beth Carey had broken hearts, ruined friendships, and destroyed reputations. But fifteen years have passed, and life has taught Sugar Beth its toughest lessons. Now she's come home broke, desperate, and too proud to show it. The people of Parrish don't believe in forgive and forget. When the Seawillows, Sugar Beth's former girlfriends, get the chance to turn the tables on her, they don't hesitate. And Winnie Davis, Sugar Beth's most bitter enemy, intends to humiliate her in the worst possible way. Then there's Colin Byrne. . . . Fifteen years earlier, Sugar Beth had tried to ruin his career. Now he's rich, powerful, and the owner of her old home. Even worse, this modern-day dark prince is planning exactly the sort of revenge best designed to bring a beautiful princess to her knees. But none of them have reckoned on the unexpected strength of a woman who's learned survival the hard way. While Sugar Beth's battered heart struggles to overcome old mistakes, Colin must choose between payback and love. Does the baddest girl in town deserve a second chance, or are some things beyond forgiving? Ain't She Sweet? is a story of courage and redemption. . . of friendship and laughter. . . of love and the possibility of happily-ever-after. From Publishers Weekly A small town's prodigal daughter returns to face her past in bestseller Phillips's latest cheeky, diverting fairy tale. Sugar Beth Carey, "the wild child of Parrish, Mississippi," was once the queen of all she surveyed, but after 15 years and three marriages, she's a broken (and broke) husk of her former self. Who's loving the schadenfreude? The Seawillows, for starters-the gaggle of Southern belles Sugar dumped years ago, plus Winnie Davis, the half-sister she treated like dirt. And there's more: not only did Sugar stomp on gorgeous Ryan Galantine's heart (luckily, Winnie caught him on the rebound), she also got Colin Byrne, the sexy British high school teacher, fired for ostensibly coming on to her. Colin now owns her family's manse, and she's inherited the carriage house on his property-along with a highly valuable painting, location unknown (might it be hiding in Colin's attic? Or is it right under her nose?). Phillips keeps the tension high, with Colin (now a successful writer and member of the town's "in" crowd) and all of the rest of Parrish looking to make Sugar pay for past misdeeds. Colin hires her to be his housekeeper, and soon their days are filled with bickering, backstabbing and lots of orgasmic sex. A subplot involving Gigi, Winnie and Ryan's rebellious teenage daughter, who somewhat improbably turns to Sugar Beth for advice, detracts from the primary drama. The novel is at its best when Phillips sticks with what she does best-fast-paced romps featuring two headstrong people who finally realize that they're soul mates. From Booklist Fifteen years ago, Sugar Beth Carey reigned supreme over the small Mississippi town of Parrish, but now she's returning home a little bit shabby around the edges to claim a valuable painting left to her by her disapproving aunt. Fifteen years ago, Colin Byrne arrived in Parrish from England as a new teacher only to have his career destroyed by a spiteful young Sugar Beth. Fifteen years ago, Sugar Beth had everything Winnie Davis ever wanted, but because Winnie had the one thing Sugar Beth could never have, she turned Winnie's life into a perpetual hell. So now Colin, a best-selling author, and Winnie, Parrish's richest citizen, are determined to exact revenge for Sugar Beth's past sins, but much to their surprise,

neither one finds revenge to taste quite as sweet as they expected once they get to know the new Sugar Beth. A hero who wouldn't be out of place in the pages of a Regency romance, a heroine who is equal parts grit and class, and a basset hound with a personality disorder are just a few of the memorable characters in Phillips' sassy, sexy contemporary romance. The simple perfection of her writing in this splendid tale will charm readers. John Charles
