But he hates his life. He hates playing hockey, he hates being in the spotlight and he doesn't care that people (fans) can't stand him. His pissed-off attitude pisses everyone off.And now the suits of the team want

to polish his image by putting him together with drug counselor Sutton. They're supposed to start an outreach program for at-risk youth. Alex is all for giving for charity. But he hates that he's being forced to do it. And he hates that he's so incredibly attracted to the beautiful redhead who's going to be his 'partner' for the next year. Sutton can't believe that she gets to spend time with this gorgeous piece of male perfection. She does believe that his image needs to be polished. He can be horribly rude and unkind. And he's brutally honest. Always. That's how she knows that he's extremely attracted to her. Just like she is to him. But there's still Brandon - her ex, who's trying to win her back. But her heart and more importantly her body doesn't really care much for Brandon ... only Alex! WHAT WILL HAPPEN TO ALEX AND SUTTON???? WILL THE TWO OF THEM GET THEIR HEA? WILL THERE BE A CLIFFHANGER??? I'm not telling you that of course... _____ ALEX was a really cute and sweet and moving and sexy romance. Unfortunately it was nothing that I haven't read a dozen times before :(I've read so many cute and sexy hockey romances by Rachel Gibson and Deirdre Martin - and I loved them all.... So of course I loved ALEX too, how can you not love a book about an amazingly hot athlete?? And it really didn't bother me much that this wasn't anything new.... it did have some different topics with Sutton having a drug addict as a father and Alex and his controlling idiot of a Dad. It wasn't all happy, happy, hearts and flowers. There were some real problems here that our two darlings had to go through to get to their HEA ... It was so cute to see how Alex changed from being a rude 'I-don't-care-about-anything-or-anyone' guy to this sweet guy who could see himself falling in love with a girl. He, who never had a relationship in his life! I loved the scenes with Sutton's brother and how happy he was, even when he just got the smallest of gifts. Great boy. And of course I loved Garrett - how he just doesn't care about Alex's reputation and wants to be his friend I can't wait to see what Ms Bennett will come up with for him. Must be some woman for him to give up his serial-hookups ALEX - was a very cute and sexy and funny moving Hockey-Romance! You'll love it!!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. great story Von Caroline H. really great characters, which are believable and complex ... loved that book and will be off to the next book in the series

Kurzbeschreibung New York Times bestselling author Sawyer Bennett scores big-time with the first novel in a sexy new series hot enough to melt the ice. Hockey star Alexander Crossman has a reputation as a cold-hearted player on and off the rink. Pushed into the sport by an alcoholic father, Alex isn't afraid to give fans the proverbial middle finger, relishing his role as the MVP they love to hate. Management, however, isn't so amused. Now Alex has a choice: fix his public image through community service or ride the bench. But Alex refuses to be molded into the Carolina Cold Fury poster boy . . . not even by a tempting redhead with killer curves. As a social worker, Sutton Price is accustomed to difficult people like Alex, who's been assigned to help her create a drug-abuse awareness program for at-risk youth as part of the team's effort to clean up his image. What she doesn't expect is the arrogant smirk from his perfect lips to stir her most heated fantasies. But Sutton isn't one to cross professional boundaries and besides, Alex doesn't do relationships . . . or does he? The more she sees behind Alex's bad-boy facade, the more Sutton craves the man she uncovers. The Carolina Cold Fury series from New York Times bestselling author Sawyer Bennett can be read together or separately: ALEX GARRETT ZACK RYKER HAWKE MAX ROMAN LUCAS VAN The Love Hurts series features sexy standalone novels: SEX IN THE STICKS JILTED And the Sugar Bowl series is one treat you'll want to read in order: SUGAR DADDY SUGAR RUSH SUGAR FREE One of the best voices in contemporary romance.
