This is another win for Ms. Voxley such a gifted author. As I read page by page the fluency of Vi, has me sitting on the edge of my seat waiting for the next accomplishment of our hero and heroine. You will not go wrong buying this book, this series it definitely a MUST READ.
Lana Cormac, is Captain of the Raptor, whose cares about the life of her crew on the ship. They received a message telling them of a story told to many, yet everyone thought it was a myth. A God, Radgen wanted revenge his rage burns dark in the hearts of Brions, blind to everything else but victory and power. Then Radgen, General Worgen and his ship the Abysmal disappeared. He had to be dead by now, no one lives that long. Rumor had it he was alive looking for his gesha (Fated Mates). General Corden was not like by many but than they didn't really know that the General had a secret mission. Because of that secret mission he had to leave his ship the Claw. Silently he boarded the Raptor he hides only to run into his gesha, he thinks. I was gifted this ARC for an honest and truthful review.

Kurzbeschreibung Only one general can stand between an ancient nightmare and the safety of his people... This is a 100 k full scifi romance novel featuring a BBW human heroine and a growly alpha male Brion warrior general. It can and should be read as a standalone and has a guaranteed HEA ending! Lana Cormac is a woman with a mission. As the captain of a scouting vessel for the Galactic Union, the curvy woman has always put her crew first and herself second. But when two men more myth than reality bursts into her life, she needs to step back and wonder whether she's been doing things the wrong way all along. Stuck between two Brion generals, both convinced that she can be his and only his, Lana needs to walk a tightrope between keeping a fleet of innocent people alive while subsequently coming to grips with what fate has in store for her. Could it truly be a Brion general and if so, couldn't he have picked a less horrible time to show up!?
Corden is a Brion general unlike any other. He is the guardian, the keeper of order for all of the generals, though there are few who know this. Defeat is not a word he recognizes, yet when something out of the darkness of Brion culture comes back to haunt him, even Corden needs to consider the option. But what he isn't prepared for is that his greatest enemy might come from within, even when the worst nightmare he could imagine is staring him in the eye. With Lana's heart and safety on the line, Corden has no option but to win. Even the psychotic fervor of a general long thought dead and gone cannot stand in his way, especially when the man wants to claim Corden's chosen!
Will Lana learn to consider the needs of her own heart and will Corden save not only her and the universe, but himself as well?
