I Need To Keep ClimbingVon Ingrid Stephanie Jordan5 Stars Title: ALIEN GENERALS CHOSENBRION BRIDES Book #4Author: Vi VolxeyReviewer: Stephanie Jordan#Aliens #SciFi #Military #RomanceAll I can say is WOW! This is

my third book for SciFi and I will be reading many more, I never thought I would enjoy it but I was mistaken. I can't even begin to tell you what a fantastic read this stand alone book is. Yes, I read 452 pages all in one sitting, I just couldn't put it down. I bet you won't be able to either. You bet this is a MUST READ. Leiya is a beautiful girl who loves life and hates violence, which makes everyone on Briolina nervous, Brion are violent Aliens. Leiya knew she was different then anyone on the planet but it never let it bother her. Then one evening her father the Senator was having a dinner party, she wanted to climb and sing, she always climbed and 9 times out of 10 she would fall. BUT when she was done singing, Leiya knew she just found out what she was good at. Faren and his twin Gawen were born Brion Aliens and lived on Briolina, the twins were different from other Brion. Faren had absolutely no emotions, where Gawen has so much rage he could explode. They might be different but together they balance each other out. There is a big party so everyone (all of the Brion's) wanted to be gerion and find there geshas. (Fated mates) I was gifted this ARC for an honest and truthful review. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Erfordert geduldige Leser Von guddi Die Alien Geschichte um Leiya und Faren kam fr meinen Geschmack zu langsam in Fahrt. Es passierte in den ersten Kapiteln kaum etwas, es wurden nur immer und immer wieder die Befindlichkeiten der Personen durchgekaut. Nach ermdenden 20% (kindle-Anzeige) habe ich den Roman zurckgegeben. brigens ging es mir mit dem Roman Alien General's Bride von dieser Autorin genauso. Der Stil ist nicht schlecht, aber mir ging es einfach nicht zzig genug voran. Daher drei Sterne. Vielleicht ist das Buch eher etwas fr Leser mit mehr Geduld.

Kurzbeschreibung This general doesn't play fair... This is a 70 k full scifi romance novel featuring a BBW human heroine and a growly alpha male Brion warrior general. It can and should be read as a standalone and has a guaranteed HEA ending! Leiya has a secret. Trouble is, even she doesn't know it. One of the most promising singers Briolina has to offer, no one could know that the bright star is actually a human, a Terran from Earth. But when the most dangerous Brion in the universe marks her as his own, Leiya has more than hidden secrets to worry about. She thought she was ready for the love of her life, but the general is far more than she could have been prepared for! And no one's supposed to deny their chosen... but what if she has compelling reasons to do so, even if her body can't fathom the idea? Faren is not a simple man. Seemingly devoid of emotions, rational to a fault, he is a monster on the battlegrounds and his reputation far precedes him. But after losing his brother, the only demon who could match him, Faren is aimless. When the binding hits him like a spear to the chest, making him recognize the innocent, curvy Leiya as his true mate, he finally sees a glimmer of a purpose. A goal. Her safety, her heart, and her body. He will have her, the right way, even if it kills him and everyone around him. Nothing could stop the Monster of Briolina. But it seems like the whole universe is going to try like hell, both to get him as well as kill the human woman he has sworn his heart to. The universe doesn't know the power of an alien general who can only be controlled by the woman he loves... Will Leiya trust to love the man who is the epitome of everything she despises, or will fate have to make the decision for her?
