MrzAll Lined Up ist ein guter Start in der Rusk University Serie von Cora Carmack. Wir werden langsam an das College und die Charaktere herangefhrt. Carson und Dallas begegnen sich auf einer Verbindungsparty, ohne das die beiden wissen in welchem Kontext sie zueinander stehen. Als sie es dann letztendlich herausfinden bekommt

ihre "Freundschaft" erstmal einen Dmpfer. Hier war fr mich eine Spur zu viel Dramatik von Dallas Charakter her, aber ich knnte ja jetzt mein Schubladendenken bemhen und seufzen "Knstler, was erwartet man." :D Aber okay, das gibt sich auch recht schnell wieder. Carson ist auch nicht ganz ohne Ballast und es wird mehr, wenn er der Stamm- QB wird. Ziemlich unverhofft, zumindest. Es ist unterhaltsam zu lesen, wie Carson und Dallas zu einem Paar werden und sich gegenseitig untersttzen. Fr ein New Adult Buch geht es meines Erachtens ziemlich zahm her, aber es passt gut zu den Charakteren.0 von 0 Kunden fanden die folgende Rezension hilfreich. Charming!Von Tea PAll Lined Up is a sweet and charming story about coming of age. I've read this enjoyable read in one sitting. As usual, Cora Carmack's writing was immaculate and I love her style. Very well-developed characters in a thought-out plot. Excellent.I've read quite a few college romance novels so far, and the characters were kind of the same. But Dallas and Carson were different, like real actually. They struggled with their insecurities, tried to find their way into adulthood and had dreams for their future life. Dallas wasn't dependent, whining and annoying as the heroines in so many other books in this genre. And Carson wasn't that usual arrogant, cheating douchebag. He was a nice guy. And really adorable. Together they were great.Reading this story was relaxing, soothing and entertaining without unnecessary and pathetic drama. There was just this good vibe to it, that I really liked.0 von 0 Kunden fanden die folgende Rezension hilfreich. Dallas und CarsonVon MinelliGutes Buch. Ich mochte alle Charaktere. Carson ist super.Was ich nicht verstanden habe ist, dass die Autorin in den Epilog noch die Sexszene geschrieben hat. Da htte sie es auch ganz lassen knnen.Ich wei noch nicht ob ich die anderen beiden Teile der Serie lese.

KurzbeschreibungNew York Times and USA Today bestselling author Cora Carmack follows up her trio of hitsLosing It, Faking It, and Finding Itwith this thrilling first novel in an explosive series bursting with the Texas flavor, edge, and steamy romance of Friday Night Lights.In Texas, two things are cherished above all elsefootball and gossip. My life has always been ruled by both. Dallas Cole loathes football. That's what happens when you spend your whole childhood coming in second to a sport. College is her time to step out of the bleachers, and put the playing field (and the players) in her past.But life doesn't always go as planned. As if going to the same college as her football star ex wasnt bad enough, her father, a Texas high school coaching phenom, has decided to make the jump to college ball as the new head coach at Rusk University. Dallas finds herself in the shadows of her father and football all over again.Carson McClain is determined to go from second-string quarterback to the starting line-up. He needs the scholarship and the future that football provides. But when a beautiful redheadliterallyfalls into his life, his focus is more than tested. It's obliterated.Dallas doesn't know Carson is on the team. Carson doesn't know that Dallas is his new coach's daughter.And neither of them know how to walk away from the attraction they feel.PressestimmenFootball and falling in love are two of the greatest things ever. It would take Cora Carmack to make them even better...ALL LINED UP is a touchdown!
