Such a great book!Von CustomerHi, I'm a German and I really loved to read this great book!Susan Mallery did a good job. The caracters were just amazing and the feelings described very well.Clay and Charlie were the most not matching couple in the whole Fool's Gold series and that made them just so special. Surprises in every line and you never could guess what's happening next. I really can say that this is a good read! The best would be.. read the Fool's Gold series.. it's worth it! ;)1 von 1 Kunden fanden die folgende Rezension hilfreich. you just have to love itVon XeniaThis was my

first Susan Mallery novel and I have to say that I really liked it! The story is very interesting and her writing leaves no questions at the end. She describes wonderfully and has put a lot of thought in the protagonists' story. I read it within 2 days and fell for it the moment I completed the first chapter. I really do like her writing and can only recommend it to everyone who likes romantic novels. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Kurzbeschreibung Can a summer fling turn into love that lasts a lifetime? Former underwear model turned entrepreneur Clay Stryker has loved, tragically lost, and vowed that he'll never risk his heart again. After making his fortune, the youngest of the rugged Stryker brothers returns to Fools Gold, California to put down roots on a ranch of his own. But he's frustrated to discover that even in his hometown, people only see him for his world-famous assets. Firefighter Chantal (Charlie) Dixon grew up an ugly duckling beside her delicately beautiful mother, a feeling reinforced long ago by a man who left soul-deep scars. Now she has good friends, a solid job, and the itch to start a family yet she can't move toward the future while she's haunted by painful memories. Clay finds an unexpected ally, and unexpected temptation, in tomboyish Charlie, the only person who sees beyond his dazzling good looks to the real man beneath. But when Charlie comes to him with an indecent proposal, will they be able to overcome their pasts and find a love that lasts beyond one incredible summer? **Pressestimmen** "Mallery's prose is luscious and provocative." - Publishers Weekly "An adorable, outspoken heroine and an intense hero...set the sparks flying in Mallery's latest lively, comic, and touching family-centered story." - Library Journal on *Only Yours* "Mallery...excels at creating varied, well-developed characters and an emotion-packed story gently infused with her trademark wit and humor."
