BEAUTIFUL ADORABLE SEXY HEARTBREAKING!!!Von Bianca @BJsBBWe all remember Jazz Joey from the #Eversea books!Jazz has been Keri Ann's best friend since they were little kids and also since about back then she's

been on and off crushing on Keri Ann's brother Joey. But mostly he was getting on her nerves! Other than an unfortunate (slightly alcoholic) encounter when Jazz turned 18, there never was anything between them. Even though back then, she might've, kinda, or rather, she did fall in love with him...still is. But he doesn't want her - he's made that abundantly clear back then. But now he's back home, to check on his sister, who is in the middle of either reuniting with Jack Eversea, or of saying good-bye to him forever.... But before we can find out how their story will end, we go back in time to the summer when Jazz turned 18 and see what and how things happened with Jazz Joey. "It was the end of high school, and the beginning of the rest of our lives. Then it was summer. I lost a lot of things that summer. That summer changed me forever." There will be lots of sadness and grief and whatnot to be overcome, before Joey Jazz can even think of having their HEA!!!! What will happen to Jazz Joey? Will there be a HEA?? _____ I LOVED THIS BOOK!! I'm such a huge fan of the #Eversea books, and I'm so happy that Natasha has this new Butler Cove story for us now! It was just adorable! Poor Jazz, loving and hating Joey Butler with all her heart ever since she was 11 years old. And Joey... we don't really know what's going on in his mind or heart. He's all about his studying and wanting to be a good doctor.... We just want them to grow up and be together forever... but it'll take them a while to get there.... There are so many adorable and funny and sexy and sad and frustrating moments in this story. I cried a lot!! Especially those moments three years ago, and all those things that happened in Jazz's life.... That poor girl! I loved every word of this story!! ALL THAT JAZZ was such a beautiful adorable Romance. Fun, sexy heartbreaking - just perfect!!

Kurzbeschreibung "A gorgeous summer romance that explores if there's ever a second chance at first love." ~ Goodreads reviewer. "Sexy, romantic, heartbreaking, humorous ... I absolutely gobbled it up!" ~ NYT Bestselling author, J. KENNER) It's summer in sultry Butler Cove, South Carolina. School's out and life's about to begin. But Jazz Fraser didn't count on her best friend's brother being part of it. There's something totally inconvenient about falling for your best friend's brother. Especially when he's a pompous, arrogant, albeit annoyingly sexy a-hole that you'd like to punch or kiss to death at any given moment. ("Sexy, romantic, heartbreaking, humorous ... I absolutely gobbled it up!" ~ J. KENNER) Joey Butler has that way about him, and Jazz is falling hard whether she wants to or not. Until he does the unforgivable. Three years later Jazz will try everything she can to protect her heart and not fall back in love with Joey. But when Joey finally admits that Jazz is the one he's always wanted, all bets are off. Will there ever be a second chance at first love?
