Von Abigail Reynolds : Alone with Mr. Darcy: A Pride Prejudice Variation (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Alone with Mr. Darcy: A Pride Prejudice Variation (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Romantic, quirky and imaginativeVon MariaI'm not a big fan of Pride Prejudice variations. I've read some, liked a few

and none ever came even close to the original despite all the steamy love scenes, contemporary elements or even the zombies (though the zombies were so. very. good). Still, I can honestly say this book was nice, proper nice - romantic, yet very true to the period; structured, yet angst; AU (alternative universe), yet felt plausible. It tells the same story, yet so differently. You will see Elizabeth despise Darcy, then find him hard to understand, then start to like him, and later... well, Regency novels are not supposed to speak of matters of the flesh. Around them, all of the usual suspects are present: Charlotte being clever and grounded; the Colonel - perfectly amiable as always; Wickham - adored wherever he goes, despised whenever he leaves. The only characters I really missed were Bingley and Jane - they somehow lost their importance for the story and I was disappointed by that. It made Elizabeth seem that much more self-centered and one-dimensional. On the whole the book was lovely. It managed to keep my interest, ruined my real-life schedule and even made me chuckle more than once. I would say it was worth the 5 euro I paid for it after a night of agony, despising myself for being so weak that I cannot let the story go after the first (free) chapters. The book also discussed some rather important aspects of the original that I have always wondered about, including:- Why is Anne always so sickly?- Why did Mr Bennet marry a woman so far beneath him in both intelligence and position in life?- Why was Darcy so restless whenever he was alone with Elizabeth? If you are wondering what went on in Darcy's head when Elizabeth refused him, or how Lady Catherine De Bourgh solved the Anne/Darcy problem, this book is for you. Definitely an enjoyable read for a Sunday afternoon. 0 von 0 Kunden fanden die folgende Rezension hilfreich. very nice read Von Elli I read this book in a few hours and enjoyed it very much. The plot is lively and especially during the beginning in the cottage you can find a lot of charming interactions between our most beloved couple. Abigail Reynolds stays true to the characters, which I appreciate allways very much. I loved Charlotte a great deal in this book and wished she would have an exciting and distracting love affair with the Colonel ;) I give 4 stars because of some not so sensible turns of the story (spoiler!) like: why should Anne run away after her mothers death? and because of the invention of the new character - Darcy's stepmother. It doesn't feel right for me. Maybe I had loved it if it had been more in the centre of the story. I felt it wasn't neither fish nor fowl. The same could be said for the storyline of the Colonel. He seems to be severely traumatized and I would have loved to hear more about his inner trouble... maybe in a next book... All in all - I thank Mrs Reynolds for another very nice read ! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Positive ueberaschung fuer die Charakter Mr. Darcys Von Customer Auch wenn ich verstehe dass dies eine variation ist, hatter ich gehooft es wird komplizierter sein. schon wie Elisabeth und Darcy sich verstehen.

Kurzbeschreibung Alone with Mr. Darcy... Elizabeth Bennet can't imagine anything worse than being stranded by a blizzard in a tiny cottage with proud and unpleasant Mr. Darcy. But being trapped there for days and nights - with an injured and confused Mr. Darcy who keeps saying the oddest things about her is even worse. At least he possesses the useful ability of lighting a fire to keep them from freezing to death. But when he puts his arms around her, she discovers the hearth isn't the only place he knows how to build a fire. And the little half-frozen kitten he finds in a woodpile isn't proving to be much of a chaperone. She doesn't really believe his promises to marry her if anyone finds out they spent two nights alone together, especially after learning he was betrayed by another woman in the past. When her worst fears are realized and her reputation is in tatters, she isn't surprised to discover Mr. Darcy has vanished into thin air, leaving her no choice but to find a husband as soon as possible before her whole family is ruined. Any husband will have to do, no matter how much she dislikes him. Even if she can't stop thinking of Mr. Darcy. Praise for Alone with Mr. Darcy: 5 Regency Stars! "Way back in 2011 when reviewing What Would Mr. Darcy Do? for my blog I wrote, I would like to hereby bestow the title of Queen of the Austen Retelling to Abigail Reynolds. Although many years have passed since my proclamation, not much has changed. Every time I get to read a new work by Reynolds I'm always so excited to get a slice of her creative energy that makes her works so exciting.... I mention it time and time again when reviewing Abigail Reynolds works, but I am struck every time by her ability to imagine such intricate recreations based on Jane Austen's novels." - Austenprose Praise for Abigail Reynolds If you are unfamiliar with these riveting and romantic variations, they are retellings of Pride and Prejudice that take our beloved hero and heroine down a slightly altered path. Abigail Reynolds, one of my favorite Austenesque authors, is a skilled-story teller, an ardent admirer of Jane Austen, and quite proficient at infusing a lot of emotion, tension, and passion into her stories! Austenesque s If romantics can overlook the subversion, they should enjoy witnessing Elizabeth as an industrious and caring wife, administering to Pemberley's tenants, learning how to be an equestrian and growing to love that perplexing Darcy. ber den Autor und weitere Mitwirkende: Abigail Reynolds may be a nationally bestselling author and a physician, but she can't follow a straight line with a ruler. Originally from upstate New York, she studied Russian and theater at Bryn Mawr College and marine biology at the Marine Biological Laboratory in Woods Hole. After a stint in performing arts administration, she decided to attend medical school, and took up writing as a hobby during her years as a physician in private practice. A life-long lover of Jane Austen's novels, Abigail began writing variations on *Pride and Prejudice* in 2001, then expanded her repertoire to include a series of novels set on her beloved Cape Cod. Her most recent releases are the national bestseller *Mr. Darcy's Noble Connections*, *Mr. Darcy's Refuge*, *A Pemberley Medley*, and *Morning Light*, and she is currently working on a new *Pemberley Variation* and the next novel in her Cape Cod series. Her books have been translated into five languages. A lifetime member of JASNA, she lives on Cape Cod with her husband, her son and a menagerie of animals. Her hobbies do not include sleeping or cleaning her house.
