Tessa's voice is back in the Alpha Girl YA series and she and this series still rock: 4,5 stars!Von MinaNote: this is the 5th installment of the Alpha Girl series and since there's an overall story arc, this is not a good place to start reading. If I

were new to the series, I'd start with *Becoming Alpha*. Review I'm glad that after the last book being Claudia's story in Peru and told in her 1st person POV, we're back with Tessa the half-witch, half-werewolf and former human. And *Alpha Unleashed* continues Tessa and the rest of her friends' story right after Claudia left for Peru. Tessa still suffers from the aftermath of having had her powers stripped from her by the evil witch Luciana. Who is still on the loose and making life hard for the wolves and the supernatural community as a whole by summoning demons nearly each night and so making humans aware of the things that go bump in the night. So Tessa, Dastien and the rest of the gang have to come to grips with their own respective personal problems, search for Luciana, fight real demons nightly and try to find some way to deal with the human population. To state that none of them gets any rest and is constantly stressed out is an understatement. And the author does well with the atmosphere of gloom and doom that has not that much to do with the rather common and light start of the series in *Becoming Alpha*. The series and its characters grew better and better over the course of it. Although there will be more books in the series, the story arc is finished, all wrapped up nicely and without the use of any Deus Ex Machina-stuff. And with what groundwork was laid with the new acquaintances and occurrences, I think the series' next chapters will come up with new and exciting narratives. The next book is told from Meredith's POV and while I didn't care for Claudia, I look forward to reading about Meredith and Donovan.

Tan Definitely a very super duper book! Couldn't put the book down till the very end! Looking forward to more continuation

Kurzbeschreibung Tessa McCaide has had it up to here with supernaturals. Luciana may have failed to steal Tessa's magic, but she's just getting started on her crusade for magical domination. If her demonic summoning isn't stopped, it could mean the end of everything. Tessa's pack, including her mate Dastien, are ready to fight, but the ragtag group of shifters and witches are no match for Luciana's power. A little help (and ancient Inca mojo) from Tessa's bruja cousin, Claudia, may give the side of good a chance if she can make it home in time, but stopping the war is no longer an option. When witches and werewolves fight, no one wins. Only time will tell who will still be standing after the last spell is cast.

THE ALPHA GIRL SERIES
1. BECOMING ALPHA
2. AVOIDING ALPHA
3. ALPHA DIVIDED
4. BRUJA
