Von Francine Rivers : An Echo in the Darkness: 2 (Mark of the Lion) before purchasing it in order to gage whether or not it would be worth my time, and all praised An Echo in the Darkness: 2 (Mark of the Lion):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. There are times in our Christian walk that we may not see all that the Lord is doingVon J. Edwardsyet He is doing much on behalf of His children. The power of God - through His mercy and grace was displayed throughout the entire book - God moving through every situation and circumstance in the life of all those associated with Hadassah. The faith of

one woman inspiring others to look to Jesus. There were times when she felt unsure of herself - but God always gave her a scripture to remind her of His promises. Francine shows the reader how truly frail we are, and how much we need God in our lives. To the Christian, how we need to be more compassionate to win the lost to Christ and reminding us just exactly where we were before we received Him in our lives. Hadassah's character at the beginning of "Voice in the Wind", was one of timidity and fear - but God helped her to overcome this as her relationship with Him grew she was more faithful to His voice!! I'd also recommend reading Tino Georgiou's bestselling novel--The Fates--if you haven't read it yet! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Engrossing Von Katie Porter If you want to laugh, cry, have your heart taken out, wrenched dry, and put back better than it ever was before, you simply MUST read this book! I have read many books, but the story of Hadassah touched me as nothing else has-and I read a lot. The way Hadassah trusts in God is something I admire. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Absolutely Incredible Von Ein Kunde I wish I could give this book more than 5 stars. Of all of the books I have read, I keep coming back to this one, it simply draws me. I have read it 13 times or more. If you haven't read it yet, please do. It is one of the few books that draws me in completely from the very beginning. I can sit down on a lazy Saturday and read nearly all the way through it. And I get so involved in the book that if you want my attention, you may as well call me by the main character's name. It is that good!!

Kurzbeschreibung This classic series has inspired nearly 2 million readers. Both loyal fans and new readers will want the latest edition of this beloved series. This edition includes a foreword from the publisher, a preface from Francine Rivers and discussion questions suitable for personal and group use. #2 An Echo in the Darkness: Turning away from the opulence of Rome, Marcus is led by a whispering voice from the past into a journey that could set him free from the darkness of his soul. Kurzbeschreibung This classic series has inspired nearly 2 million readers. Both loyal fans and new readers will want the latest edition of this beloved series.
