Von Mary Balogh : An Unlikely Duchess (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised An Unlikely Duchess (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. schwierigVon emmadiese remake nach motiven von georgette heyer ist extrem schwer zu lesen: offensichtlich eingescannt und ungenugend bearbeitet, fehlen worte, sind verstmmelt oder ergeben gar keinen sinn, wie das ominse "mid", das mal eindeutig fr "with" steht und dann wieder ebenso eindeutig nicht.... von fehlenden und doppelten satzzeichen brauchen wir hier gar nicht zu reden, sie sind zu hufig.inhaltlich ist meine hauptkritik die nicht nur vllig

hirnlose, sondern ebenso eigensinnige, temperamentvolle und sture Josephine. Belinda ist bei Heyer auch hirnfrei, aber da heiratet der incognito reisende Herzog sie wenigstens nicht. Sorry, aber ich war immer wieder versucht, das Buch wegzulegen und ihm einen einzigen mageren Punkt zu geben. Allerdings ist die Nebenromanze bezaubernd und ich wollte doch wissen, wann und wie Paul seine Maskerade erklärt. 2 von 2 Kunden fanden die folgende Rezension hilfreich. What an uninteresting couple! Von Annette Autrata This book earned the second star only for its solid language and editing. But otherwise there wasn't much to like. The female protagonist is beyond annoying; naive, slow, if not dumb, argumentative, spoiled and otherwise plain. The male counterpart is not much better, if a bit more grounded but except for his exalted title he is pretty mediocre. The plot is truly agonizing as the two pretty much traipse through the country throughout the book, for reasons no well-bred lady would have jeopardized her reputation for. If you are not an absolute Mary Balogh fan who just has to have read her full collection, skip this one.

Kurzbeschreibung An Unlikely Duchess is the digital reissue of a previously published and long out-of-print novel by New York Times bestselling author Mary Balogh. A very proper aristocrat, who always does his duty and never sets a foot wrong, the young Duke of Mitford is on his way into the country to propose marriage, sight unseen, to a young lady of equal virtue and propriety chosen for him by his grandfather and hers. For once in his life, Paul decides to have a little adventure by traveling there incognito and without his usual ducal entourage. He finds the experience disappointing until at an inn one evening he rescues a female from certain ravishment and then learns that she is fleeing from the dreadful fate of having to marry the Duke of Mitford. Before Josephine Middleton discovers the true identity of her rescuer, the two of them are embroiled in a very big, mad adventure after she finds that her would-be abductor has stolen her jewels.
