Vlliger UnsinnVon MacIch schreibe sehr ungerne negative Rezensionen, aber diese hier muss einfach sein.Die ganze Geschichte hat weder Hand noch Fu. Gute Anstze, aber das war es auch schon. Jedesmal wenn es spannend wurde kam wieder eine unsinnige Lsung.Die Biker MC Szene ist unglaublich schlecht (oder behaupt nicht?)

recherchiert...Der, ach so toughe, Bad Boy Biker "Bash" ist ein widerlicher, schwacher, verlogener Charakter.. Sowas wird nie und nimmer Prsident eines MC's. Die ganze Biker Szene ist absolut unglaubwrdig. Die Liebesbeziehung Bash/Raven ebenfalls absolut unglaubwrdig.Raven, mein Gott, mal so mal anders...kein wirklicher Charakter.Smtliche Randfiguren in der Geschichte haben weder Hand noch Fu.Mir erscheint diese Geschichte aus dem rmel geschttelt, aus einer Laune heraus geschrieben (an verschiedenen Tagen) und je nach Lust und Laune zusammengesetzt.Ich habe mehr davon erwartet und war am Ende der Story einfach nur verrgert.Selten so einen Mist gelesen.0 von 1 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungNEW COVERCreswell Springs was a small town in Trinity Count, California. Population 1,500maybe. Its a quiet town, with small town values. Its greatest income is the University just outside of the town limits and the revenue the local Motorcycle Club brings in. Being part of the MC that was Angels Halo was exactly like being part of a family. A scary, powerful, crazy family. It was also like its own society. There are rules, just as there are in every family, every society. But only breaking one of their rules will leave you in a broken, blood pile on the floor No one touches Raven Hannigan.RavenI was the MCs only weakness. Or so my father use to tell me as I was growing up. Mad Max Hannigan was once Angels Halos president. He made the rules and everyone was expected to follow them or come face to fist with the enforcerI have spent my life in the middle of the MC. I knew the rulesthe penalties for breaking those rules. So I knew what would happen to him if I let him break the golden rule But I loved him, like I have never loved anyone or anything before. I thought my love would protect him. Of course it hadnt. When our secret was discovered he was beaten. So I shouldnt blame him for leaving meBashAs the enforcer I knew the consequences. Knew exactly what was in store for me when Ravens family found out that I had dared to break my MCs unforgivable rule. I loved her, so it didnt matter to me. When her oldest brother delivered my punishment I didnt scream. Didnt groan. I took it like the man my MC had made me, and would have done it over and over again if that was what it took to be able to call Raven Hannigan mine. But then my past reared its ugly head and I had a choice to make. One that I have only lived to regret.Taking on the job as Angels Halos new president was my second chance. But would my secrets destroy everything Raven and I once had? KurzbeschreibungNEW COVERCreswell Springs was a small town in Trinity Count, California. Population 1,500maybe.
