Von Sandra Brown : Another Dawn (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Another Dawn (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. One of her best romance novels / western styleVon Ein KundeI absolutely loved the story around Banner Coleman, her family and Jake Langston. ANOTHER DAWN is the sequel to Sunset Embrace but you do not have to read Sunset Embrace in order to understand Another Dawn.Story: After Banner Coleman was left behind at the altar on her supposed wedding day, the whole town is shocked. The dramatic scenes also aroused a storm of emotions in Jake Langston who

is the best friend to Banner's parents and of the toughest cowboys in Texas. Jake soon found himself in love with Banner and caught in a scandal that could shatter a family...1 von 1 Kunden fanden die folgende Rezension hilfreich. Hated it Von Ein Kunde Okay, the story was another powerful tale. But I can't understand why Ms. Brown had to let Ross go. He was one of my best heroes. I loved Sunset Embrace so much, the way love developed between the protagonist, the writing so vivid. I cried when Ross died. Not him! He is supposed to be immortal. It is fiction but readers who love a good book connect with the characters. They come alive. After that scene, I just could not finish the book anymore. I stopped reading Ms. Brown's books since then just in case I might just stumble into one of my heroes dying again. Sorry Ms. Brown. You might have a good reason but I wish you'll have the opportunity to rewrite Another Dawn again, please, please, give me a better fate for Ross. Alive. Please...please. Boy, I have forgotten that the story belongs to new characters...but well...I'll keep on hoping.1 von 1 Kunden fanden die folgende Rezension hilfreich. misery? Von Ein Kunde Well, first I'd like to invite you customer reviewers to grow up. Sandra Brown is an author; she creates fictional stories how SHE thinks they will best read. She is the inspiration for the story; thus, the story is HERS. For all you who hated the story because Ross died, remember Stephen King's Misery? Does Kathy Bate's character ring a bell for you? Ross and Lydia are only CHARACTERS, no matter how vividly Brown's stories bring them to you. Certainly, I am no less an ardent fan of Brown and other novelists; I love to lose myself in the plot highs just as much as the lows. This book is no exception in its ability to captivate the reader. I recommend it to any of you who may be reading these comments.
