Romantic, yet comicalVon Detra FitchGriffin York, the Duke of Halford, has no desire to wed. His mother has

decided that it will be happen this season. So when Griffin awakens to find that his mother has abducted him to "Spinster Cove" and then insists he select a bride from the ladies in residence, he wants to teach her a lesson. Griffin chooses the serving girl. Not just any serving girl would have done either. This serving girl must be the clumsiest to be found. After all, when she enters the room she is a royal mess, covered head-to-toe in sugar. Pauline Simms works as a barmaid in town and works at home on her abusive father's farm. She wants nothing more than to take her slow sister away with her and to open a bookshop where they could live together in peace. That dream becomes possible when an arrogant duke offers her a small fortune for a week's employment. All Pauline has to do is submit to his mother's "duchess training" and fail miserably. But in London, nothing goes as planned. Sometimes opposites really do attract. ***** FOUR STARS! In this entertaining story, Tessa Dare proves that two perfectly wrong people can be blissfully right for each other. One or two scenes had the same flavor as the movies *Pretty Woman* (Special Edition) and *My Fair Lady*. I know that may be hard to image, but this author actually succeeds in doing it! This story has no danger or suspense, only romance with a bit of comedy and a feel good ending. I enjoyed every single second of this delightful romp! ****Reviewed by Detra Fitch of Huntress Reviews. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Sweet story, didn't like the ending Von Em007BondOk, this story is far from believable in those times. But it starts quite funny and keeps being funny and sexy and sweet,. The mother is a great matchmaker and the hero has a good background story. However the ending is not so good. If you make up a story like that you should stay with the fairytale. But makes for a good read. 2 von 4 Kunden fanden die folgende Rezension hilfreich. loved it Von Cathythis historical romance novel was highly entertaining. i liked the characters and could not put that book down. very good

Kurzbeschreibung What's a duke to do, when the girl who's perfectly wrong becomes the woman he can't live without? Griffin York, the Duke of Halford, has no desire to wed this season--or any season--but his diabolical mother abducts him to "Spinster Cove" and insists he select a bride from the ladies in residence. Griff decides to teach her a lesson that will end the marriage debate forever. He chooses the serving girl. Overworked and struggling, Pauline Simms doesn't dream about dukes. All she wants is to hang up her barmaid apron and open a bookshop. That dream becomes a possibility when an arrogant, sinfully attractive duke offers her a small fortune for a week's employment. Her duties are simple: submit to his mother's "duchess training"... and fail miserably. But in London, Pauline isn't a miserable failure. She's a brave, quick-witted, beguiling failure--a woman who ignites Griff's desire and soothes the darkness in his soul. Keeping Pauline by his side won't be easy. Even if Society could accept a serving girl duchess--can a roguish duke convince a serving girl to trust him with her heart? Pressestimmen Any Duchess Will Do is an equally beguiling blend of sparkling wit and simmering sensuality that is guaranteed to captivate fans of clever, sexy historical romances. (Booklist (starred review)) Romances based on fairy tales have enjoyed a new surge of popularity recently, but in her fourth *Spindle Cove* novel, Tessa Dare gives readers an anti-fairy tale romance in which hard work and self-respect are the route to happiness, and love is the only magic anyone needs. (Heroes and Heartbreakers) In Tessa Dares *Any Duchess Will Do*... social differences are realistically addressed, and the pair face additional hurdles reflective of the Regency era, helping root the story and give greater punch to their eventual happiness.
