**Von Emma Chase : Appealed** before purchasing it in order to gage whether or not it would be worth my time, and all praised Appealed:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. ...adorable, moving, funny sexy second chance romance. Von Bianca @BJsBBBrent. We all remember him from the previous books. He's best friends and business-partners with Jake, Sofia Stanton. They started their own law firm at the end of the last book: Becker, Mason, Santos Shaw Now it's about two years later and it's finally time for commitment-

phobe Brent to find his Happy-Ever-After. And he'll (hopefully) find that with Kennedy. She was the girl next door - and those were both huge doors. Both Kennedy and Brent come from very rich families. They used to be best friends until they weren't anymore. One day she just left and he hasn't seen her for 14 years! Now she's back - and she's an attorney too - the one trying to send his clients into jail! Lots of funny and sexy action in and out of the court-room until the two of them will find their Happy End.....WHAT WILL HAPPEN TO Kennedy Brent??? WILL THE TWO OF THEM get their second chance for a HEA??? WILL THERE BE A HORRIBLE CLIFFHANGER? I'm not telling you that Ok - no Cliffhanger of course! \_\_\_\_\_ I really enjoyed this book. And I loved that we got to see our darlings from books #1 #2 again! Did I love the book? And does it deserve my 5 Stars? Yes, your Honor, I did and it does! I especially love how Emma always tells her book from the males' POV. And Brent is such an amazing male!!!! Phew. I really loved Brent - and Kennedy too - she wasn't one of those annoying female characters. The ones who come off too feminist and strong, but just end up being annoying. Kennedy is so adorable - she IS this strong lawyer, but she's also still that kid that nobody liked in school. And I love how Brent tells us that he DID like her - especially once she grew some boobs!!! He's such an adorable guy. So funny and cute and good. After what he went through as a kid, with his leg - and losing the love of his life, without knowing that Kennedy was that love of his life back then. I cried a lot while reading!!! (There might even be some slightly suspensy moments!!!) And of course we have LOTS of sexy moments too!!!! I just LOVED this book - so sad that this was the last one in the series!! But maybe we'll get to hear about future superhero Navy SEALs and cowboys and knights and princes one day! SUSTAINED was an extremely adorable, moving, funny and sexy second chance Romance!!! GO one-click yourself some Brent NOW!!!! Can't wait for whatever Emma will bring us next

**Kurzbeschreibung** The New York Times bestselling author of the Tangled books returns with the third standalone romance in the Legal Briefs series, a collection of sexy novels about first crushes, second chances, and the final verdict of the heart. When Brent Mason looks at Kennedy Randolph, he doesn't see the awkward, sweet girl who grew up next door. He sees a self-assured, stunning woman...who wants to crush the most intimate--and prized--parts of his anatomy beneath the heels of her Louboutins. When Kennedy looks at Brent, all she sees is the selfish, Abercrombie Fitch catalogue-worthy teenager who humiliated her in high school in order to join the popular crowd. A crowd that made those years a living hell for her. But she's not a lovesick social outcast anymore--she's a Washington, DC, prosecutor with a long winning streak. Brent is the opposing attorney in her next case, and Kennedy thinks it's time to put him through a little hell of his own. But things aren't exactly working out the way she planned. Brent has his sights set on Kennedy, and every fiery exchange only makes him want her more--and makes her wonder if he's as passionate in the bedroom as he is in the courtroom. In the end, they may just find themselves in love...or in contempt of court.
