da, was ein Buch lesenswert macht!0 von 0 Kunden fanden die folgende Rezension hilfreich. This book was excellent! A MUST READ! Von Ein Kunde Atretes : Mighty German warrior who was arrogant, fierce, hot blooded - until God changed him. Rizpah : A beautiful widow who has a tongue like fire and a shady past. Theophilus : A Roman Centurion who has a heart and mind for God. Anomia : Younger sister of Atrete's dead wife who is beautiful to behold but like Satan in character. Rolf : Young Chatti warrior, caught by the deception of the Chatti god, Tiwaz. Freyja : Atrete's mother, who is a high priestess of the Chatti god and shudders at the name of Jesus. This novel is about a mighty German warrior named Atretes who was help captive by Rome as a gladiator after his village was raided. When he finally earned his freedom, he found out that his son who was supposed to have died, was alive and in the hands of a widow named Rizpah. Rizpah had lost her own baby and was a woman after God's own heart. Atretes finds the widow and demands to have his son back. Rizpah did not want to let the boy whom she had named Caleb go. After certain circumstances she was allowed to live as a hired hand to take care of Caleb. Atretes found out that the persons who had taken him captive and thrown him in the ludus wanted to have him fight in the arena as a gladiator once again. He did not want to and therefore fled Rome with Rizpah and his son to go back to his homeland, Germania. With the help of a Roman centurion, Theoliphus, who was a Christian, they were able to travel to Germania and back to Atretes' people, the Chatti where deception, evil spirits, murder, and redemption occur. I will leave it at there. I do not wish to reveal too much. This book is filled with adventure, romance, resurrection and spiritual warfare where God prevails. I would recommend this book to anyone.0 von 0 Kunden fanden die folgende Rezension hilfreich. Suspenseful, Romantic, Educational, Funny Von Ein Kunde Francine Rivers delivers once again. I have read Voice in the Wind and Echo in the Wind and I was waiting for the suspense to die down but it never did. My eleven(11) year old enjoyed the series as much as I did. To read about love in a good clean but mostly real way was very refreshing. She took me back to Germania in a way that made me feel like I was there. She showed me God on level that I have not reached but aspire to reach. She gave my studies of God's Word life in a way that only Jesus' words and perables have only been able to do. I have read all three books in the series. Don't deprive yourself by reading only one. I have also read Scarlet Thead and The Atonement Child. I give Francine Rivers 5 stars as an author.
