Von Kathleen E. Woodiwiss : Ashes in the Wind (The Ashes) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ashes in the Wind (The Ashes):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. My Favorite Novel of All Time!Von SophieWow! This novel was amazing! The tale is so wonderfully and beautifully told

that I read it over and over again and show no signs of getting tired of it. I've read several other novels by Katleen Woodiwiss and have to say that *Ashes in the Wind* is by far the best I've yet come across. The time setting was a lovely choice. This kind of story makes you believe that there still exists a love so powerful and extraordinary that nothing else really matters! I like to think that there actually were two people like Cole and Alaina that found love during a time of such great sorrow. Again, what a beautiful and lovely story. Wonderful job Ms. Woodiwiss!

Von Ein Kunde I first read this book as a junior in high school (16 years ago), it took me two weeks to read, and I failed every test during that time. I couldn't put the book down. I stayed up reading until I fell asleep, I read during dinner, I read in the car, everything I did revolved around the book. I've read this book at least 50 times, and still love every word. I'm from the South and completely loved the tension she weaved between the Southern women and Northern Man... BUT what a man. I wanted to name my first son after Cole, but I think my husband thought I was nuts. The kind of love between Cole and Alaina is the kind of love everyone and anyone would love to have. Woodiwiss is the best, no doubt. Other must reads are: *Flame and the Flower*, *Wolf and the Dove*, *A Rose in Winter*, *Shanna*. Unfortunately, after these books her writing just isn't the same. Does anybody get *So worthy my Love*????

Serious/funny, twist/turns, love/romance... it has everything Von Ein Kunde Join the turbulent times of the Civil War era, told from both sides. Surprises from the start and predicaments that make you laugh out loud. All this and a steamy romance. What balance! Most all of the characters come alive. They sparkle and shine, plus they snap at each other too! The book isn't just one, all characters tend to take center stage as they contribute to the plot and the relationship to Alaina, it isn't "just" her story. Woodiwiss is one of my most favorite authors, she ties the plots neatly throughout the book to be truly enjoyable. The pursuit of love by her characters takes you through their turmoil and development to be READY for the love that you know they need. With each character it "dawns" on them at a slower speed.

Kurzbeschreibung A woman burdened by war... A doctor torn between passion and duty... A sweeping tale of love in the face of dishonor from the incomparable storyteller--Kathleen Woodiwiss. Alaina MacGaren is forced to flee the devastation of her homeland in the guise of a young boy, only to find sanctuary in the arms of an enemy. Cole Latimer is a dashing Yankee surgeon who has served the Union faithfully, and his tender heart compels him to help a ragged, innocent "lad" in need--never suspecting the rags conceal a bewitching belle suspected of being a rebel spy. But Alaina's masquerade does not fool Cole for long. And the strength, courage, and breathtaking sensuality of this woman whom it would be treasonous to love sets duty and desire at war within him. Yet Destiny has joined them for good or ill--and they both must follow where their hearts would lead them, if they are to build a glorious new life together out of the ashes of the old.
