**Von Nicholas Sparks : At First Sight (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised At First Sight (English Edition):

Kurzbeschreibung There are a few things Jeremy Marsh was sure he'd never do: he'd never leave New York City; never give his heart away again after barely surviving one failed marriage; and, most of all, never become a parent. Now, Jeremy is living in the tiny town of Boone Creek, North Carolina, married to Lexie Darnell, the love of his life, and anticipating the birth of their daughter. But just as his life seems to be settling into a blissful pattern, an unsettling and mysterious message re-opens old wounds and sets off a chain of events that will forever change the course of this young couple's marriage. Dramatic, heartbreaking and surprising, this is a story about the love between a man and a woman and between a parent and a child. More than that, it is a story that beautifully portrays how the same emotion that can break your heart is also the one that will ultimately heal it. While the novel picks up the tale of Lexie Darnell and Jeremy Marsh that started in *True Believer* and will delight fans of that novel, it stands on its own as one of Nicholas Sparks's most deeply moving love stories.

From Booklist The relationship between journalist Jeremy Marsh and librarian Lexie Darnell that began in *True Believer* (2005) has now progressed. Jeremy is moving from New York to Boone Creek, North Carolina, as they plan for their wedding and the birth of their child. A friend of Jeremy's warns him that he really doesn't know Lexie, and asks him if he's sure that he's in love. With the seeds of suspicion planted, Jeremy starts receiving mysterious e-mails that also cast doubt on their relationship. Add to that the fact that he is dealing with writer's block and that he has to come to terms with a change in lifestyle as an urbanite now living in the rural South. This is a man under duress. To avoid gossip, he and Lexie are maintaining separate residences and keeping the pregnancy a secret. Lexie is comfortable with the town's rules of behavior, but Jeremy is at a loss and finds himself tense and unsure about the future of what he thought was the perfect match. With his trademark sensitivity, Sparks delves into the nitty-gritty of relationships, and considers the sacrifices that each partner has to make in order to have a successful marriage. And readers beware: this is multiple-hankie romance.

Pressestimmen Sparks's sentimental romance is sure to please his many fans (DAILY MAIL) Sparks's writing is superb- the raw feeling with which he describes Jeremy's every emotion is fantastic. If you want a great love story- and from a man's point of view- go for this.
