Handlung? Fehlanzeige!In diesem doch, wie meine Vor-Rezensenten/innen treffend beschrieben haben, bisher blutrstigsten aller Vampire Huntress Romane gibt es ein Gemetzel nach dem anderen.Allein Rache legitimiert zu Folter und Mord. Ja an

einer Stelle des Buches wird Cat sogar richtig wtfend, dass Sie Bones Verräter nicht Foltern darf, sondern dass dieser den Gnaden Tod gewährt bekommt. WTF! Auch wenn bereits vorher Rache das Leitmotiv war, welches Cat zur Vampirjägerin machte, so wurde das Niveau dort noch halbwegs aufrecht erhalten. Zum Glück bin ich da nicht zimperlich und habe mich dann, mit relativ schnellem, gelangweilten Berblättern der letzten Seiten, noch bis zum Ende vorgekämpft. An die Handlung mag ich mich nicht so recht erinnern. Alles in allem war dieses Buch noch schlechter als der Vorgänger. Patra (der Name ist an ihre Mutter Cleopatra angelehnt - \*augenrollen\*) möchte anscheinend eine Prophezeiung in Erfüllung bringen, indem Sie Cat umbringt und so Bones dazu zwingt sich an ihr zu rächen und sie zu töten. Kurzum wird ein Vampirkrieg erklärt. Sehr treffend der Kommentar in der Rezension von hwm mit der self-fulfilling Prophecy! In diesem Sinne, den Worten von hwm ist kaum was hinzuzufügen. 2 Sterne, mehr absolut nicht. Das 4. Buch lese ich nur aus dem Grund, weil ich es bereits nach der Lektüre von *Halfway to the Grave* gekauft hatte... Vorschusslorbeeren wird es bei mir in dieser Form zukünftig nicht mehr geben! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Use of secondary characters should be better Von Lisa Every book in this series just rocks, I love Cat Bones! Still miffed about the use of secondary characters, though, it's too inconsistent and they are only there when convenient for the plot. 16 von 20 Kunden fanden die folgende Rezension hilfreich. Still great read, with a few "buts"... Von margie24 This is the long expected book three in the series and the reader is pulled immediately into a series of events, attacks and attempted murders. Cat and Bones are facing a threat to their very lives and it costs them and their friends dearly to try to uncover the person behind all of it. Especially Cat is forced to make a decision on whether or not to embrace her vampire nature or rather live her human one? The plot is fast paced and, as a true fan of Cat and Bones, this is a must read! However, I have to say that this one is now my least favourite book of the series so far. With all the events and action following each other, hero and heroine do have barely time to take "breath" in between. And this fact comes at the cost of not having a lot of interaction going on between Cat and Bones - which was something that made especially book one of the series such an enjoyable read! I missed this a lot in this book, because I really liked the dialogs between Cat and Bones, the teasing and the fights between them, the ups and downs they had to face in their relationship and with their relations. That there is almost none if it described in this book is a pity. But action fans will be absolutely thrilled with this one - even if it sometimes exhausting to read about the constant string of different events that are happening at almost every page. This is the reason why I give only four stars - with the hope that book four will be up to its original standard - meaning that the great characters of Cat and Bones will reappear and get the focus and attention they deserve.

**Kurzbeschreibung** It should be the best time of half-vampire Cat Crawfield's life. With her undead lover Bones at her side, she's successfully protected mortals from the rogue undead. But though Cat's worn disguise after disguise to keep her true identity a secret from the brazen bloodsuckers, her cover has finally been blown, placing her in terrible danger. And if that wasn't enough, a woman from Bones' past is determined to bury him once and for all. Caught in the crosshairs of a vengeful vamp yet determined to help Bones stop a lethal magic from being unleashed, Cat's about to learn the true meaning of bad blood. And the tricks she's learnt as a special agent won't help her here. She's going to have to fully embrace her vampire instincts if she's going to save herself - and Bones - from a fate worse than the grave. **Pressestimmen** `Sure to please fans of Kim Harrison and Kelly Armstrong. Jeaniene Frost has a winner on her hands. I loved it!' (Yasmine Galenorn, New York Times Bestseller) `Cat will have you staked in five seconds flat' (Cheyenne McCray, USA Today Bestseller) A can't put down masterpiece that's sexy-hot and a thrill-ride on every page. I'm officially addicted to the series. Marry me, Bones! (Gena Showalter, New York Times Bestseller) Intense, emotional, and flat-out fantastic! At *Grave's End* is top-notch urban fantasy from one of the hottest voices in the genre. Put Jeaniene Frost on your must-read list! (Lara Adrian, New York Times Bestseller) `Each successive chapter in Frost's exceptional *Night Huntress* series adds more complexity, death-defying action and fiery romance. While expertly deepening Cat and Bones' love story, Frost also keeps the plot revelations absorbing and the jeopardy remorseless. In an increasingly rich and vibrant genre, she continues to prove she's a star!' (Romantic Times) At *Grave's End* is definitely the best book in the series so far and is a must-read for vampire fantasy and romance fans. (Love Vampires) Another exciting and fun adventure, *At Grave's End* is a thrilling addition to a well-told series. (Romance Today) At *Grave's End* blends strong love, life's temptations and dark magic into an urban fantasy that will have fans thoroughly engrossed.
