chocolate. When stressed, eat chocolate. When in doubt AND stressed, eat chocolate. Especially when that doubt and stress were related to a man and her feelings for said man."Amy Michaels came to Lucky Harbor to find peace and maybe hope. It worked for her grandmother many years ago, so why shouldn't it work for her as well? What Amy hasn't been looking for was Matt aka "Ranger Hot Buns". He's trouble and that's the last thing she needs. But then she has never been especially good at making the right choices...If you read and loved the other books in the Lucky Harbor series then you will love "At Last" as well. Jill Shalvis came up with another sexy, funny and at times heart-warming story, that will brighten your day just a little bit more. For the most part this book was very drama-free (not boring, though), if a bit predictable. That's not a bad thing, I'm just saying that it pretty much follows the path of the other books in the series. Still not a bad thing because if there's one thing Jill Shalvis is especially good at then it's creating crazy chemistry between her main characters. The attraction between Amy and Matt was off the charts and I had a lot of fun watching those two resist falling in love with each other. And resist they did, let me tell you that. They both had a rough past that made them more than a little bit suspicious of trust and love, so the story of the book basically revolves around them overcoming those fears and learning to trust each other. I think Jill Shalvis did a good job. She constructed a solid story, believable background stories and I never felt like she was stringing them along just to lengthen her book. The developments all felt very natural, even though I wish the author would take a bit more time to let her characters jump into bed with each other. I like it when an author uses a slow (even very slow) buildup, but everyone who read one of Shalvis's books before knows they won't get one of those. There was a little sub-plot about a troubled teenager that I thought was very well done as well. The portrait of the defiant, lost girl felt realistic and I was rooting for her from the beginning. A predictable, but nevertheless good and fast read that made me excited for the next book in the series "Forever A Day", Josh and Grace's story. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Absolut empfehlenswert!!! Von booksmore Ich knnte jetzt sagen: kennst du eins, dann kennst du alle, aber das hrt sich einfach viel zu negativ an! Die Geschichten der Lucky Harbor Bcher hneln sich zwar tatschlich alle irgendwie ein bisschen, aber ich mchte nicht eines davon verpasst haben zu lesen! Die Charaktere sind allesamt liebenswert und verfrherisch zugleich und lassen einem keine Mglichkeit das Buch aus der Hand zu legen! Es sei denn man ist fertig und mchte sofort mit dem nchsten beginnen! Jill Shalvis schafft es ohne Probleme einem schne Schmkerstunden zu verschaffen und ein seufzendes Lcheln auf die Lippen zu zaubern! Egal ob wie hier Amy und Matt oder andere Hauptpersonen, diese Bcher sind einfach ein absolutes Muss unter den Romantiker(inne)n und den Liebhabern leichter Literatur! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Seicht und repetitiv Von K. G. Ich hatte mir von der Figur Amy etwas mehr versprochen, als ich die anderen Bnde gelesen hatte. Aber leider sind nicht nur ihre Treffen mit dem Mann der Stunde repetitiv, auch die Erwhnung aller seiner Qualitten wie auch der von zuknftigen zu verkuppelnden Mnnern in diese Ort. Es hat genervt, dass diese Typen alle wie aus einer Schablone zu stammen scheinen. Beim Lesen wurden dann durch fehlende Hintergrundgeschichten nur noch Ghnattacken ausgelst. Ich mach nach diesem Band bei der Serie erst einmal eine lngere Pause. Das Geld war es auf keinen Fall wert.

Kurzbeschreibung HER LOVE HAS COME ALONG . . . Amy Michaels loves her new life in Lucky Harbor. A waitress in the local diner, she's looking forward to her first weekend hike through the mountains. But when a wrong turn takes her off the trail, she finds herself up close and personal with forest ranger Matt Bowers. And even though she's tempted to kiss that sexy smile right off his face, she won't make the mistake of getting involved with the town heartthrob. A former cop whose life went south, Matt doesn't let anyone get too close. But something about the feisty beauty caught his eye the moment he first saw her in the diner. After a hot night under a starry sky, Matt can't deny their attraction-or the fact that for the first time in a long time, he feels the stirrings of something more. Now it's up to Matt to help Amy see that, no matter what is in their past, together they can build a future in Lucky Harbor. (88000 words) Pressestimmen "4 Stars!
