Von Aileen Erin : Avoiding Alpha (Alpha Girl Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Avoiding Alpha (Alpha Girl Book 2) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Tessa has to embrace her witch-side to save a dear friend. Good continuation of the Alpha-YA-series Von Mina Note: this is the second book in the Alpha Young Adult series and although Avoiding Alpha could probably be read without

knowledge of the prequel, but I'd start at the beginning with *Becoming Alpha*. Review Oh my, to think that it was only a few weeks ago that Tessa was turned a werewolf and had to fight a horde of vampires! And there seems to be no rest for the werewolf-witch: her friend Meredith, the only one she ever had outside her family, suffers the repercussions of some curse given to her by the local witch coven. Originally it made her wolf dormant so she couldn't change, but now the wolf is awake and its fighting the curse brings Meredith to the brink of death. Since in the last adventure her witch-cousins helped her and the wolves in general a great lot, this is where Tessa turns to. But the coven has problems, aka a crazed leader, and Tessa finds herself without any magical aid. But she doesn't give up and a frantic search for the cure starts. And this, and the outcome I won't spoil, mostly is the content of this rather short book [it contains only about 200 pages]. But because of the dire situation and the author's ability to really bring the breathlessness and the desperation across, it felt even shorter. Still, it's a good sequel in this series of Tessa the half-witch, half-werewolf who learns to settle into her new and pretty exciting life. Oh and things are heating up between yummy Dastien and Tessa, which was astoundingly well written for a YA. And it is a YA, make no mistake. There are the moments, one shakes her head thinking: Oh my, don't be such a teenager!, but they're thankfully rare. This is an easy, fun read and I'm happy to read on.

0 von 0 Kunden fanden die folgende Rezension hilfreich. Move over vampires here come the werewolves!

Von Newbee The second in the series didn't disappoint! It's always a good feeling after the second in a series to be left wanting more, not because you hope the third book will save the series, but because the characters have grown on you so much you're not ready to let them go!

Von Patricia Naumann Tan Extremely love this continuation of this series. Can't put the book down and the storyline is definitely intensely beautiful also

Kurzbeschreibung Seventeen-year-old Tessa McCaide has come a long way since her abrupt entrance into the world of werewolves, but she still has just as far to go before she's comfortable with turning full wolf. In the meantime, she's avoiding the topic of shifting to four legs any way she can. Thankfully her mate, Dastien Laurent, is quite the distraction. When she finds her best friend, Meredith, getting sick in the bathroom, Tessa knows something's majorly wrong. Meredith was cursed years ago, and the dark magic kept her wolf dormant only now the wolf is awake, and that same spell is killing her. Tessa has no intention of sitting around while Meredith wastes away. Even if it means playing with magic she doesn't understand, she'll do anything to save Meredith's life. Including bargaining with the local coven of witches and its crazed leader, whose only goal is getting Tessa to join the witchy ranks. Can Tessa save her friend without losing herself? ***A 52K Word Novella***

THE ALPHA GIRLS SERIES
1. BECOMING ALPHA
2. AVOIDING ALPHA
3. ALPHA DIVIDED
4. BRUJA
5. ALPHA UNLEASHED
6. SHATTERED
