MUST READ-FANTASTIC SIZZLING ROMANCEVon midniteinkBAD BOY DADDY-A thrilling suspenseful romantic story.After reading all the reviews on both books by Chance I purchased {Wife Me Bad Boy and this was the bonus story}; due to the BAD reviews the books received. It was necessary for me to see why the awful reviews-so when reading I analyzed the books. (First and of utmost importance is that I loved both books; reviewing his first book). Some reviewers did not like-bad to the bone being stated-bad to the bone has many meanings-one is cocky, and Jackson was cocky but, a great courageous character; some did not like the choice of words during romantic scenes; some male authors choose words we as woman do not like, but there was a strong convincing passionate chemistry between Jackson and Faith; a lot did not like the instant love factor; the attraction started at the beginning of the book and escalated on the second meeting; some thought Faith was a weak character when in fact she was sassy, intelligent and an excellent character; some did not like the fact that he was MIA for 12 years; but Jackson left Faith well protected with people he trusted and loved. Sometimes when reading a book reviewers tend to take words for their face value instead of looking for other meanings. What I did not like was the reviews done by ones that did not finish the book. You cannot make a complete opinion on something that you do not finish.....This book does portray true love and has exhilarating moments. (This is fiction fantasy and most anything goes).This story features; Jackson, a buffed, heart-stirring gorgeous, strong minded, bold man with a mission of protection; Faith a sassy, sapphire-eyed beauty on the run from a jealous boyfriend killer.What youll find in this story; a cast of remarkably impressive and engaging characters, fabulous story-line, picturesque and powerful scene descriptions, phenomenal banter, some action, gripping suspense, horrific danger, life threatening incidents, gut-wrenching moments, strong camaraderie, family love, emotions spiral, skyrocketing heart-throbbing sensual romance, and a melt your heart conclusion leaving you wanting more.The first time Faith meets Jackson he hits on her in the Los Lobos hangout bar in Reno. Not liking his cocky insinuations she slaps him before exiting the bar, leaving him stunned and smitten. The second time they meet Faith is on the run from her deranged boyfriend, and is desperate for help. Jackson makes an unexpected deal with her for his protection, and she is catapulted into a whole new life....WOW-FANTASTIC creative read by a gifted author. Could not put this book down, as it had my full attention from beginning to end, a most gratifying read. The interaction between the characters is believable as they spring to life with the plot and powerful scene descriptions. I particularly liked the unconventional family bond between the characters. The romance between Jackson and Faith is one of unwavering devotion. Jackson may have been hard edged, but he did have a powerful loving nature. I am glad the bad reviews did not sway me from reading this book, sometimes you do have to find out for yourself. If you treasure stories with a twist in the story-line, family bonds, banter, and romance that sizzles, this is a terrific book for your library. In the world of fiction romance the possibilities are endless and always fascinating. Without reservations I recommend this book.0 von 0 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungHe wanted a baby. I needed a man.FaithThe first time I saw Jackson, I hated his guts. He was everything I could never have. Pure, panty-wetting, manhood. And I was trapped in a loveless relationship with his worst enemy. I never would have dreamed he craved my womb so badly he was willing to do anything for it.JacksonMy father's death taught me a lot of things. Most importantly, I needed a child. I had to have a son before my enemies caught up with me. So when Faith came begging for protection, I knew exactly what I wanted. I yearned for her body. Lust raged through me like a wildfire. I longed to make her pregnant with my child. I gave her an offer she couldn't refuse. A life for a life. My protection, in exchange for everything she had to offer. I'd die for her, but she would give me a son.I took her womb. I never suspected she'd take my heart.KurzbeschreibungHe wanted a baby. I
