Von Tessa Bailey : Baiting the Maid of Honor (Wedding Dare series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Baiting the Maid of Honor (Wedding Dare series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. loved it! a must for contemporary romance fansVon ClaudiaThis is the second book in the "Wedding Dare"-series and it is placed at the same time as "Falling for the Groomsman"Julie is a Planer and she loves making people happy - Reed on the other side is brooding and doesn't care one bit about others, except his friends, and sinfully hot. that these two have

sparks - and wow, do they spark - proves the theory that opposite attract each other. forced together through their mutual attraction, both soon realize that they can't let go but are sure, that there is no real "us". the development and discovery of both characters was perfectly done. both have their scars and it is not easy for them to let go. their relationship is definitely sizzling from the beginning - the chemistry was feelable and the sex scenes definitely hot. the banter between them is great and shows how they develop. I enjoyed the first book, but this had me gripping my chair. I loved every page of this short novel and if you like hot, sexy contemporary romances, this one is a must. ARC was provided to me by Entangled Publishing in exchange for an honest review

Kurzbeschreibung Julie Piper and Reed Lawson have nothing in common. She's a people-pleasing sorority girl hiding behind her perfect mask. He's a take-no-prisoners SWAT commander who isolates himself from the world. But when they're forced together at their friends' posh destination wedding, one thing is clear: Reed wants Julie more than he wants his next breath. Which is why he's not about to stand by when she's dared to seduce another man. Julie wants neat, tidy sex, so she could get back to what she does best: making everybody else happy. She never expected to slip into a dark bedroom and have her mind blown by rough, demanding hands, and a sinfully filthy mouth, neither of which belong to the best man. One night should have been all Reed needed to get the blond temptress out of his system, but when one taste is nowhere near enough, he'll be forced to confront the effects of his hellish past. One that may push Julie away forever... just when he realizes he can't live without her. Each book in the Wedding Dare series is a standalone story that can be enjoyed out of order. *Falling for the Groomsman* by New York Times bestselling author Jen McLaughlin, w/a Diane Alberts *Baiting the Maid of Honor* by New York Times bestselling author Tessa Bailey *Seducing the Bridesmaid* by New York Times bestselling author Katee Robert *Best Man with Benefits* by USA TODAY bestselling author Samantha Beck *Dare to Resist* by New York Times bestselling author Laura Kaye
