Kurzbeschreibung"BANG is one of the most talked about books of 2014, quickly earning E.K. Blair acclaim for her ability to weave a dark, twisted tale of revenge that will keep you on the edge of your seat till the last word."They say when you take revenge against another you lose a part of your innocence. But Im not innocent. I havent been for a very long time. My innocence was stolen from me. Taken was the life I was supposed to have. The soul I was born with. The ruby heart embedded in a life full of hopes and dreams.Gone.Vanished.I never even had a choice. I mourn that life. Mourn the what-ifs. Until now. Im ready to take back what was always meant to be mine.But every plan has a fatal flaw. Sometimes its the heart.**Due to the dark and explicit nature of this book, it is recommended for mature audiences only.*Kurzbeschreibung"BANG is one of the most talked about books of 2014, quickly earning E.K.
