**Von Blythe Rippon : Barring Complications (The Love and Law Series Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Barring Complications (The Love and Law Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A multilayered celebration of marriage equality in the StatesVon PhilologusThis is a beautiful debut novel by Blythe Rippon who skillfully explores in her fictional account the many layers of the landmark decision for marriage equality in the States. By focusing the story around the past and present of the Supreme Court Judge, Victoria Willoughby, and the LGBT counselor Genevieve Fornier she lets the reader experience intellectually and emotionally the momentous change. The book is brilliantly written and brilliantly edited and a wonderful mix of court procedure politics, romance and our history.0 von 0 Kunden fanden die folgende Rezension hilfreich. First BookVon Renate ZiescheI have not heard of this author, but I am sure I will be a faithful follower..Barring Complication is different and very very interesting as one gets an idea how the Supreme Court works!

KurzbeschreibungIts an open secret that the newest justice on the Supreme Court is a lesbian. So when the Court decides to hear a case about gay marriage, Justice Victoria Willoughby must navigate the press, sway at least one of her conservative colleagues, and confront her own fraught feelings about coming out. Just when she decides shes up to the challenge, she learns that the very brilliant, very out Genevieve Fornier will be lead counsel on the case.Genevieve isnt sure which is causing her more sleepless nights: the prospect of losing the case, or the thought of who will be sitting on the bench when she argues it.KurzbeschreibungIts an open secret that the newest justice on the Supreme Court is a lesbian.
