Von Lyla Payne : Be My Downfall (Whitman University Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Be My Downfall (Whitman University Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Be My DownfallVon EileenShe had taught me about real love and that it had to be selfless.This book left me speechless and

broke my heart a million times. This is one of the most emotional books I've read lately. Lyla Payne has a way with words, and if you consider that the story was only told from the male character's POV, Toby Wright, it gives you even more reasons to be speechless. It's not only about love. It's about loss, pain, finding yourself, accepting who you are and mostly about living life. Toby Wright is not the typical golden boy. He doesn't get into trouble, doesn't drink much and is a good student. Kennedy Gilbert is not the typical girl. She's barely ever sober, doesn't plan her future and only takes classes she neither has to work for nor attend. Even though Toby knows it's not a wise idea, he gets involved with Kennedy and her countless problems. Kennedy tries her best to push Toby away, to not feel anything good because she doesn't deserve it, and to piss him off. She has more problems than anyone ever noticed and tries to handle them her way. Toby failed once but now he wants to do the right thing. After spending some weeks with a notorious party girl and witnessing her ways of handling life he realizes it's not that easy to save her from herself. You can't save anyone who isn't willing to save themselves. How do you save a person who doesn't want to be saved? How do you handle someone who's so willingly throwing her life away? How do you live when the only person left in your life tells you that you don't deserve to be alive? I already loved the first two books in Lyla Payne's Whitman University Series but this one is by far my favorite. Maybe it's because it's written from the male POV only, or because of the fact that it's not only about young love. It's not only about two college students falling in love, it's about struggling with life, the past and the fact that you can't save everyone. Life isn't always easy, and just because your parents are filthy rich doesn't mean life's always fair or you're not struggling with events that are long gone. Life is not perfect. Even though the reader only gets to read about Toby's thoughts we also get a good impression about what Kennedy feels, thinks and about how she sees her life, her future and herself. I'm still swooning over Toby and, damn, I totally fell in love with that guy. He's no bad boy and he tries to be the hero in Kennedy's life, but everyone needs a hero sometimes. I enjoyed this book so much and can't wait to read more from Lyla Payne. I highly recommend this book and the whole series!

Kurzbeschreibung Toby Wright has always prided himself on being one of the most normal guys at Whitman University. He loves his parents, has a great job lined up after graduation, and with the exception of attempting to cross the unbalanced Sebastian Blair sophomore year, has kept his nose pretty clean. But the rich never have empty closets, and memories long stashed away come spilling free when notorious party girl Kennedy Gilbert almost dies in his dorm room. Nobody really knows how Kennedy manages to stay in good standing at Whitman she never goes to class, doesn't pretend to care about her future, and as far as people can tell, is never sober. This isn't her first meeting with a stomach pump, but it is the first time she's woken up to Toby's concerned brown eyes. Despite the fact that she prefers life without friends, he gets under her skin with his insistence on playing her guardian angel. No one knows better than Toby that people can only be saved if they want to be, but the realization that she has no one else draws him back into the shadows of Kennedy's life and eventually into her bed. But she long ago came to terms with a truth that Toby refuses to accept: she doesn't want to be rescued, she only wants to forget. Unwilling to give up on her, Toby's dragged under by this broken girl and her dark, twisted Whitman University he never guessed existed. If he struggles to the surface, he'll abandon someone he loves for the second time in his life. If he doesn't, it won't be long until they both drown.

ber den Autor und weitere Mitwirkende I've long had a love of stories. A few years ago decided to put them down on the page, and even though I have a degree in film and television, novels were the creative outlet where I found a home. I've published Young Adult under a different name, but when I got the idea for Broken at Love (my first New Adult title), I couldn't wait to try something new and I'm hooked. In my spare time I watch a ton of tennis (no surprise, there), play a ton of tennis, and dedicate a good portion of brain power to dreaming up the next fictitious bad boy we'd all love to meet in real life. I also write YA science fiction as Trisha Leigh.
