**Von Vi Keeland : Beat (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Beat (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Flynn makes my heart beat...Von LittleDarling\*I was gifted a copy in exchange for an honest review.Since I read "Throb", I was crushing hard on Flynn Beckham, so I couldn't wait to read his story."Beat" by Vi Keeland definitely made my pulse beat harder and Flynn made me throb in all the right places. My crush was absolutely justified and is now a full-blown obsession.After his TV documentary in "Throb", Flynn is now trying to hit it big with his band "In Like Flynn".

His dreams seem to be coming true when the band is signed as the opening act for "Easy Ryder". Things would be easy and simple but then he meets Lucky at a bar and though he might not get lucky with her, he still can't get her out of his head. That still wouldn't be too complicated if not for the fact that she has a boyfriend. Dylan Ryder, the lead singer of the band he's now working for. To make things even more awkward, Lucky gets assigned to be Flynn's vocal coach when he works with Easy Ryder. All this, while both fight the strong sexual and emotional attraction they feel towards each other. When lines between work, friendship and love blur, they might be fighting a fight they cannot win. And no deeds go unpunished as their attraction might have the power to destroy everything they worked so hard for. Let me first tell you, I normally hate love triangles and cheating with a fiery passion and will rarely continue a book that deals with either. Yet, I couldn't stop reading "Beat". No matter what a jerkface Dylan was, it didn't excuse Lucky's or Flynn's behaviour and Vi Keeland made that clear. So while it rubbed me the wrong way that they did what they did, I was invested in their feelings, emotions and needed to know more. Lucky was so likeable that I couldn't just write her off and hate her. Despite not agreeing with her actions, I managed to understand her, feel for her - thanks to the amazing depth she has as a character. She's sweet and sassy, with a fair amount of self-confidence. Although her tragic past still keeps her locked in an emotional prison, she is hell-bent on breaking out and living her life. And it takes some help from the charming and irresistible Flynn Beckham to finally let go of the past and take a step into her new future. Honestly, Flynn Beckham could help me anytime. It's so unique to have a hot, sexy, manly rock star who manages to be the sweetest guy ever at the same time. He's breath-taking. Caring, attentive, respectful he still set my panties on fire while stealing my heart. I love his character so much. I love how he takes care of his sister and niece, how he isn't afraid to show his feelings and how he puts Lucky and her needs first. And I love even more when he's all sexy, demanding and possessive without ever being disrespectful or a Neanderthal. God, I adored this man. And I adored his buddy Nolan who I hope will get his own book. Then there was Duff from "Easy Ryder" who was a sexy as hell. There definitely wasn't a lack of hot men, though none of them have anything on Flynn. It was great character, hot men, an intriguing story - all in all a fabulous read. 5 I'm-Flynn's-Number-One-Fan Stars.

Kurzbeschreibung From New York Times and USA Today Bestseller, Vi Keeland, comes a steamy new standalone novel about a rockstar. Or two. Dimpled smile of a boy Hard body of a man Sings like an angel Fucks like the devil I was stuck between a rock (star) and a hard place. At fifteen, his poster hung on my bedroom wall. At twenty-five his body hovered over mine. Every girl's fantasy became my reality. I was dating a rockstar. Yet I was slowly falling for another man. The problem was the two of them they shared a tour bus. Flynn Beckham was the opening act. Dylan Ryder was the headliner. What happens when the opening act begins to shine so bright, it seems to dim everything else in its wake? I'll tell you what happens. Things get ugly. Author's note - Beat is a full-length standalone novel. Due to strong language and sexual content, this book is not intended for readers under the age of 18.
