Novel (The Maddox Brothers Book 2) (English Edition):

Kurzbeschreibung "The Maddox Brothers Series is sexy, addictive, and full of surprises -- just like the Maddox boys." -- Kami Garcia, #1 New York Times, USA Today, and international bestselling coauthor of the Beautiful Creatures novels author of The Lovely Reckless If A Maddox boy falls in love, he loves forever. But what if he didn't love you, first? No-nonsense Liis Lindy is an agent of the FBI. Deciding she is married only to her job, she breaks off her engagement and transfers from Chicago to the field office in San Diego. She loves her desk. She is committed to her laptop. She dreams of promotions and shaking hands with the director after cracking an impossible case. Special Agent in Charge Thomas Maddox is arrogant, unforgiving, and ruthless. He is tasked with putting away some of the world's toughest criminals, and he is one of the best the Bureau has to offer. Though, as many lives as he's saved, there is one that is beyond his reach. Younger brother Travis is faced with prison time for his involvement in a basement fire that killed dozens of college students, and the media want a conviction. Travis's only savior is his unusual tie to the mob. In a deal that will spare his brother, Thomas has agreed to recruit Travis into the FBI. Liis is stubborn, defiant, and yet somehow softens Thomas's rough edges, making her the perfect agent to accompany him to the ceremony. Posing as a couple, they must travel to Travis's beach vow renewal and give him the news, but when the pretending ends, she finds herself wondering if they were pretending at all. In the second installment of the Maddox Brothers books, experience firsthand the mysterious world of the elusive Thomas Maddox, and how good love can be when you're not the first, but the last. "The perfect blend of sexy, angst, and sweet." Mia Sheridan, New York Times bestselling author of Archer's Voice "A fast-paced and sexually tense journey of two scarred soul mates. Add in a Maddox brother and the exciting world of the FBI? Unputdownable." Penelope Ward, New York Times bestselling author of Stepbrother Dearest
